We offer a competitive wage and full benefits. Applicant would be required to work some weekends. If you think you would be a good fit for our established business,

Please send resume to:
Schueth Ace Hardware
300 Gilbert, Charles City, IA 50616
or drop off in person and ask for Doug, Jackie or Shirl

Schueth
ACE Hardware
Since 1922

641-228-5235

Internships are Available

at Fredericksburg, Waucoma, Cresco East, Burr Oak & Jackson Junction as well as Houston, MN, Spring Grove, MN & Mabel, MN

At Farmers Win Cooperative, Crop Scout Interns are given an opportunity to connect classroom agronomic knowledge to the field first-hand. Throughout the season, you will learn to identify weeds, diseases, and insects affecting crop growth and development. You will gain experience testing soil and plant nutrients and analyze reports used to make crop input recommendations with an experienced Agronomist.

Farmers Win

To be considered for these positions, contact Courtney Hageman, Human Resources: 563-237-5324 chageman@farmerswin.com

The Chickasaw County Auditor's Office

is accepting applications for a Payroll/Claims Clerk position. This position assists the County Auditor in the performance of the duties assigned. Some of those duties include but are not limited to: processing claims, fixed asset inventory, enters payroll from county departments, preparation for elections, assist with FMLA & Health Insurance compliance, assists in completing and mailing passport applications, monitors expenditures, revenues and prepares monthly reports as requested for Boards & Department Heads. The successful candidate should have a high school diploma or GED equivalency. Proficiency in Microsoft Word and Excel is required with ability to quickly learn other county software. Position requires the capacity to continuously learn and use knowledge of diverse subject matter. Excellent communication and customer service skills are a necessity. Applications are available at the Auditor's Office or at the Chickasaw County website: www.chickasawcounty.iowa.gov.

Submit application and resume to Chickasaw County Auditor, PO Box 311, New Hampton, Iowa 50659

or email to auditor@chickasawcounty.iowa.gov.

Persons requiring assistance with the application process should contact the Chickasaw County Auditor at 641.394.2100. Chickasaw County is an Equal Opportunity Employer.

Worried About Inflation? Consider These Moves

As you know, inflation was big news throughout 2022. But will it continue in 2023? And looking even further ahead, how should you account for inflation in your long-term plans?

In regard to the first question, many experts predict that inflation will cool off this year, though there are no guarantees. The high inflation of last year is thought to have been caused by some unusual factors, such as a spike in the demand for consumer goods as the world came out of the COVID-19 pandemic, which led to supply chain issues. Also, the war in Ukraine drove up oil prices, increasing the cost of manufacturing and shipping and driving up the price of wheat and other commodities.

In any case, last year reminded us that inflation needs to be reckoned with as you work toward your financial goals. But how you respond to inflation will depend somewhat on your stage of life. So, here are some suggestions to consider:

If you're still working ...

- **Contribute more to your retirement plans.** If you can afford to put more money away in your IRA and 401(k), you may want to do so. The more resources you'll eventually have available in retirement, the better protected you are against the rising cost of living.

- **Adjust your portfolio objectives with your financial professional.** Using tools such as "hypothetical" illustrations, a financial professional can show you some different paths you might take with your investments, given different rates of inflation. So, for example, if you feel that inflation may be higher for a longer period than you once thought, you could request a hypothetical showing how you might need to adjust your investment mix to achieve your long-term goals, given your risk tolerance and time horizon.

If you're already retired ...

- **Consider part-time work or consulting.** Once you retire from your career, it doesn't mean you

MAKING SENSE OF INVESTING

can never do any paid work again. If you've accumulated years of experience and expertise, you could use your skills as a consultant. Also, many part-time jobs are available for retirees. With the added income from employment, you may be able to delay taking withdrawals from your retirement accounts and other investments, possibly extending their longevity. (Once you turn 72, though, you will need to begin taking money from your 401(k) and traditional IRA.)

- **Delay taking Social Security.** You can begin taking Social Security when you're 62, but your monthly checks will be substantially bigger if you wait until your full retirement age, which will likely be between 66 and 67. (You could even wait until 70, at which point your monthly benefits will max out.) Of course, the ability to delay taking Social Security depends on whether you can afford it, but it may be possible if you work longer than you once planned or if you work part time in retirement. But even if you do need to take Social Security before your full retirement age, your payments will be adjusted annually for inflation — in fact, for 2023, benefit checks will rise 8.7% over 2022.

We'll always have to deal with some level of inflation — so it's a good idea to be prepared.

MERCYONESM

Experts at stroke screening

Why rely on traveling screenings when you can trust MercyOne New Hampton?

Our stroke screenings are performed with the highest of quality standards. A doctor's order is not necessary for a vascular screenings which includes three tests for only \$99! Carotid Artery Screening, Abdominal Aortic Aneurysm Screening and Peripheral Arterial Disease Screening can be done at MercyOne in one visit. The screenings are performed by a credentialed sonographer and read by a board-certified radiologist. Results are kept in our medical record so your primary care provider and the emergency department can reference your results if any health issues arise.

New Hampton Medical Center
308 N. Maple Ave.

Radiology Department
