*It may have been chilly but look at that sky!*  
Although our weather hasn’t exactly been spring like lately — and it certainly doesn’t appear like it will be today (Thursday) or Friday — our editor was able to capture a beautiful sky on Monday evening near the intersection of Highway 18 and Kenwood Avenue just to the east of New Hampton.

# Drought situation improves in Northeast Iowa

WEATHER: FROM 1

we’d enjoy an early spring; after all, in the first 22 days of the month, we had eight days in which high temperatures were either in the 50s and the 60s. Since then, though, we’ve reached 50 once, and that was this past Saturday after we received a couple of inches of snow overnight. The cold, rainy conditions have made a mess of the early spring sports schedule. Take track, for example. New Hampton’s coed meet at Waverly last Thursday was canceled because of the cold, and while the boys did get to run in a meet at Decorah on Monday, the girls meet at Mason City Tuesday was canceled.

And today’s (Thursday) meets — the

girls are at Decorah and the boys are at Waverly — look highly doubtful. Meanwhile, the New Hampton boys golf team saw its season opener — a meet against North Fayette Valley in Clermont Tuesday — turn into a scrimmage because of poor course conditions and the Chickasaws’ home opener against Charles City scheduled for tonight was postponed because the New Hampton Golf and Country Club has yet to open for the season. “I’d say it’s frustrating,” boys golf coach Bill Glenn said, “but I’m the old guy now, which means I’ve been around long enough to know that this is typical Iowa. Some years are better than others; sooner or later, the weather will straighten out.” The forecast for today and Friday is almost winter like with highs not making it

out of the 30s. Throw in strong winds out of the northwest, and it appears we’re on tap for a couple of “bundle-up” days, but there is hope because we could be in the 50s by Friday and even see temperatures climb to near 70 on Monday. And as frustrating as Mother Nature has been lately, there is this: We’ve gotten enough precipitation this past month to alleviate our drought situation; in fact, according to the most recent U.S. Drought Monitor report that came out on Thursday, almost all of Chickasaw County is “normal.” The extreme southwestern part of the county is classified as “abnormally dry” as is most of Bremer County while Floyd and Butler counties are either “abnormally dry” or still suffering “moderate drought” conditions.

# Veteran sets up flag disposal sites in city

FLAGS: FROM 1

should not be flying anymore, but a lot of people don’t have the first clue at what is the proper way to dispose of a flag.” And rule No. 1 is that flags should never be thrown away in the garbage. So Macon reached out to area businesses, who helped him set up two disposal sites — one at Hugeback-Johnson Funeral Home and the other at Security State Bank — in New Hampton. He collects the flags from the bins periodically and eventually, a ceremonial retirement of those disposed flags will be provided by the New Hampton Cub Scouts. He’s had plenty of help from those businesses. L&R Manufacturing designed, manufactured and helped finance the disposal bins. Security State Bank and Hugeback-Johnson, in addition to providing sites for the bins, also provided financing. And On Track Signs provided the “wraps” for the bins. “I know I’m a little biased because it’s part of my project, but they turned out beautiful,” Macon said. “The support I got was pretty amazing, and I can’t thank those businesses enough.” The disposal bins also include information like the “disposal of old American flags” and facts

about the Pledge of Allegiance. “You’d be amazed at how many people don’t really know what they’re supposed to do — place your right hand over your heart, remove your hat — when they say the Pledge or when the National Anthem is playing,” he said, “and I thought that would be a nice touch. People can drop off their flags and learn a little, too, right?” He also hopes more residents will understand the importance of flying a properly maintained flag, pointing to the U.S. Flag Code that states “the flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning.” Macon said that he hopes this is just the first of many projects he will undertake when it comes to the flag and issues faced by veterans. “I’m not sure what the next one will be,” he said, “but I’ve been throwing around the idea of having some kind of online chat type of thing for veterans because some of the things they went through, you know, unless you’re a veteran, you just can’t understand it. “I guess for me, this flag project and whatever else I take on, is important because both of them — the veterans and the flag they served — mean a lot to me.”

## Alta Vista Public Library celebrating National Library Week

The Alta Vista Public Library is celebrating National Library Week, with refreshments at the library all week, along with a kid’s coloring contest and “make or take” seed starting kits. Two special events are set for today (Thursday). The first will be a 10:30 a.m. special story-time with Denise Bean, librarian with the Iowa Library for the Blind, who will be reading and letting children feel a braille storybook and giving out braille bookmarks with a child’s name embossed in braille, and at 4 p.m. there will be a Meet and Greet event with new Library Director Stacy Campbell.

# Their Fight Is Our Fight event back for a second run

Second annual event for suicide prevention and mental health awareness on April 29 will include 5K run/walk, meal and silent auction

By **BOB FENSKE**  
editor@nhtrib.com

Dawn Heying will always remember looking out and seeing the sheer size of the crowd of runners and walkers who had gathered for the first-ever Their Fight Is Our Fight 5K run/walk last April.

“It’s something I’ll never forget,” she said, “because I really felt like our community had come together not

only to support us but also to take up the banner of suicide prevention and mental health awareness.”

And now Their Fight Is Our Fight is looking to do it all over again with the goal of making the event even bigger and better.

The second annual event will be held on Friday, April 29, at Mikkelson Park and not only include the run and walk but also a meal, a silent auction and two speakers.

Registration the day of the event will begin at 4:30 p.m., and the silent auction will be held from 4:30 to 7 p.m. and a meal will be served from 4:30 to 7:30 p.m.

The registration fee is \$25 before April 14 and includes a t-shirt while the fee after April 14 will be \$35. Registration can be made on the non-profit’s Facebook page or at the Chickasaw Wellness Complex, New Hampton Parks and Recreation Office

or Office World.

Heying started the organization after her daughter, Brittney, died from suicide in the summer of 2020.

Brittney was an avid runner, and last year’s race was held on April 30, which would have been her 24th birthday.

The inaugural event raised thousands of dollars that Their Fight is Our Fight used to promote suicide prevention and mental health aware-

ness. The organization donated funds to bring motivational speaker Joe Beckman to New Hampton last fall. It provided “pick-me-up” baskets to teachers throughout the county. It also has funds available to help families dealing with mental health issues. And Their Fight Is Our Fight presented its first-ever scholarship this past fall.

“We want to do more,” Heying said, “and we appreciate the support that will allow us to do that.”

## Nashua council OKs contract on 4-1 vote

**NASHUA: FROM 1**

the rate they were going to charge the city to \$70 an hour. After Nashua agreed to bump its hours in the contract back up to 2,880 – each party settled on the hourly rate of \$59.50.

Nashua City Attorney David Skilton informed council members and those in attendance at the regular meeting that the county had already made out their budget and allocated funds to their various departments. This created somewhat tense talks between the two parties in coming to an agreement.

“If we had done these requests before the county had generated their budget than we would have had more flexibility,” said Skilton. “The decisions were already made.”

Council member Samantha Johnson, who motioned to accept the one-year agreement with the county and Tim Malven seconding it, talked about the timetable that it took for a deal to finally get done.

“I think that was the biggest issue with everything with this is that the Board of Supervisors was counting on us to have this set amount of hours because we waited so long,” said Johnson. “I think the previous council wanted the new council to be the ones that make that decision. That’s were it all kind of snowballed.”

Nashua tabled the discussion on hiring a police chief but did want to receive feedback from the public via town hall meetings at a future date.

“We need more community input and this is a service to the community,” said Council member Hal Kelleher.

Skilton also said avenues can be looked into that may provide additional funding – like speed cameras near the Avenue of the

Saints.

“Long ago – Ernie (Willsher) was aware – we looked at speed cams underneath the bridge on the highway,” said Skilton. “The status of the law has changed. Would that make a difference in the budget?”

Johnson stated Nashua at one time – as far back as 2017 – had a four-person police force. She said having two full-time police officers in Nashua would in salary alone cost \$199,000. That provided Nashua 48 percent coverage – with full coverage obviously being round-the-clock patrol.

“We’re saving a lot of money by contracting with the county, regardless,” said Johnson. “Then you also have to consider dispatch cost being put back in there, IPERS, insurance, health coverage for that person or their family.”

There’s also issues with retention in keeping police officers on the force.

“We do have two Sheriffs that live here in town that are a part of the community,” said Johnson. “I think we would turn out to be a training ground to come in, get paid to train – then be taken by a bigger department.”

Johnson said that the four-person police force eventually all left the force, whether that was because they were hired elsewhere or for other reasons. Police Chief Jeremy Iriarte took a leave from the force in a military deployment overseas. He recently passed away last month at the age of 33.

“Regardless, if we do a contract with them or not, if the right department comes along – if they really want somebody they’re going to pay out that contract anyways,” said Johnson. “Then we’re back to

Kelly Terpstra/Tribune

**During the same meeting Monday night in which the Nashua City Council approved a one-year contract with his office, Chickasaw County Sheriff Marty Hemann gives city leaders his monthly law enforcement report.**

the same process having to hire a new person and put them through training. It keeps going over and over and over again.”

Council member Rhonda Dean – who was the lone nay vote when Nashua Mayor Alex Anthofer announced the roll call to decide whether or not to accept the one-year contract with the county – said the newly signed law enforcement agreement comprises 10 percent of the city’s budget.

“If we hire two officers it will be more than that contract,” said Dean. “I completely agree with you – the need. We also have to figure out how we’re going to pay for it without shoving that to you guys.”

Sheriff Marty Hemann had

this to say about working with the city to try to make sure his deputies don’t go over the 2,880 hourly total.

“If we’re getting more hours than next month, we need to give less hours so that you’re not going to get this whopping bill at the end of the fiscal year,” Hemann stated.

Johnson – whose husband is a Chickasaw County Sheriff’s Deputy – said she is confident the county won’t go over the stated hourly total in the contract.

“Our concern is the overtime, but I have faith in Marty and his deputies that they will allocate hours where necessary and not necessary,” said Johnson.

Silent auction items also available for mobile bidding using the easy Handbid APP platform for guests as well as the public.

## County will face additional expenses for murder trial

**PATRIE: FROM 1**

the request and set Patrie’s arraignment for 9:30 a.m. on Tuesday, April 19.

Patrie is accused of killing Gallmeyer in the former grocer’s rural Nashua home in September 2012. Gallmeyer’s body was discovered by Chickasaw County Sheriff’s Office deputies when they were called do a welfare check at his home north of Nashua on Oct. 4, 2012.

Patrie pleaded guilty in federal court to possession of firearms by a felon as an armed career criminal and possession of sawed-off shotguns and was sentenced to life in prison, but that sentence was later overturned and he was given a 20-year prison sentence.

Chickasaw County Sheriff Marty Hemann said in February that once the life sentence was overturned, his office’s goal was to build a murder case against Patrie and have him tried in state court.

Patrie was returned to Iowa from a federal prison in New Jersey last month and is currently being held at the Fayette County Jail because Hemann said that facility is certified to hold federal prisoners and is also better suited than the Chickasaw County Jail to house an inmate like Patrie.

The county is paying Fayette

County \$60 a day in housing costs, and on Monday, Chickasaw County Attorney David Laudner said he has received a bill for \$3,500 to cover the costs of returning Patrie to Iowa.

Laudner will assist Doug Hammerand of the Iowa Attorney General’s Special Prosecution Office with the case, but he said last month that his office will have to cover a number of expenses related to the trial.

In addition to the travel expenses for the federal marshals and Patrie, he pointed out that the county will also cover expenses incurred by witnesses, some of whom live out of state.

“We’re working on our budget to make sure we can cover what we have to cover,” Laudner said, “but yes, we know we have some expenses coming that we don’t usually have.”

Just when the trial will be held, though, remains up in the air.

Once Patrie is arraigned, he has a right to a speedy trial, which means prosecutors must try him within 90 days of the arraignment, but Laudner pointed out that in the vast majority of cases as complex as the Gallmeyer murder, defendants waive their right to a speedy trial to give their lawyers more time to prepare for a trial.

## Celebrating Palm Sunday

Day has special importance for many Christians around the world

Every year, my calendar reminds me that it is almost Palm Sunday. For many people, this day is the unofficial beginning of Spring Break, but it has a deeper significance for Christians.

As we prepare for Palm Sunday this weekend, here are some of the important facts about the day and why it's important to Christians around the world.

#### What Is Palm Sunday?

On Palm Sunday, Christian churches often give the congregation palm branches to re-create the celebration of Christ's final arrival in Jerusalem because his followers used palm branches to honor him as King and Messiah.

#### When Is Palm Sunday?

Palm Sunday is the last Sunday in Lent and the Sunday before Easter. It's the beginning of Holy Week, the most important week of the year for Christians. The date changes every year because the date of Easter changes in relation to the Jewish holiday of Passover.

2022: Sunday.  
2023: April 2  
2024: March 24  
2025: April 13

#### The Story and Meaning of Palm Sunday

Palm Sunday commemorates Jesus' arrival in Jerusalem for the Jewish holiday of Passover.

Jesus rode a young donkey into the Jerusalem and was greeted by a large crowd with palm branches and people shouting, “Hosanna to the Son of David,” “Blessed is He who comes in the name of the Lord,” “Blessed is the king of Israel!” and other expressions of praise (Matthew 21:9). The people put their coats and palm branches on the ground as Jesus passed by.

Descriptions of this event in Jesus' life can be found in Mark 11:1-11, Luke 19:28-40, Matthew 21:1-11, and John 12:1-17. Some Bibles title the passage “The Triumphal Entry” or “Jesus comes to Jerusalem as king.” These passages provide insight and background into the significance of this celebration for Christians. Each Gospel account provides a different perspective on Jesus' life and ministry the way four friends might focus on different things to describe the same activity.

#### Why did the people lay their coats and palm branches on the ground on Palm Sunday?

Laying their coats and palm branches on the ground was a symbolic way for the people to treat Jesus as their king. They hoped that Jesus would overthrow the Roman government in Jerusalem.

John 12:13 records the people saying, “Blessed is the king of Israel!”

Mark 11:10 quotes them cheering, “Blessed is the coming kingdom of our father David!”

When a king or conquering ruler entered a city, people would create a carpet by putting their coats and branches on the ground to welcome them. Even today we might use the expression, “rolling out the red carpet” to welcome a celebrity or an important guest.

#### What is the significance of Jesus riding on a donkey on Palm Sunday?

Conquering kings typically rode in chariots or on horseback, so it is significant that Jesus rode on a donkey. Jesus wasn't an ordinary King with a kingdom of this world (John 18:36). Jesus rode on a donkey to fulfill a prophecy about the Messiah.

To make sure their readers realized it, each of the Gospel accounts mentions Jesus riding on a donkey. The Gospel writers even record Jesus' specific instructions to his disciples to go to a village where they would find a donkey with her colt beside her. They were told to untie both animals and bring them to Jesus. Matthew 21:4-5 explains this took place to fulfill what was spoken through the prophet Zechariah:

“Say to the daughter of Zion, ‘See, your King comes to you, gentle and riding on a donkey, on a colt, the foal of a donkey.’” Zechariah 9:9

What does Hosanna mean, especially during Palm Sunday?

Hosanna means “Please Save Us.” It is a Greek word based on two Hebrew words — “yasha,” which means “save or deliver” and “anna,” which means “please, I beseech.” Mark 11:9 records the people as saying, “Hosanna! Blessed is he who comes in the name of the Lord!”

The people were quoting Psalm 118:25-26, “Save us, we pray, O LORD! O LORD, we pray, give us success! Blessed is he who comes in the name of the LORD!”

#### Why was Jesus called the Son of David?

By calling Jesus the Son of David they didn't mean that he was the literal son of David but that he was a descendant of King David and a rightful ruler based on a promise God had made to David in Psalm 132:11-12:

“The Lord swore an oath to David, a sure oath he will not revoke: ‘One of your own descendants I will place on your throne. If your sons keep my covenant and the statutes I teach them, then their sons will sit on your throne for ever and ever.’”

#### The History of Palm Sunday

Historical celebration of Palm Sunday or Passion Sunday, as the Sunday before Easter was called in the Catholic, Episcopalian, and Anglican churches, can be traced back over 1600 years.

“The observance of Palm Sunday in Jerusalem was witnessed by the pilgrim Egeria in about 381-384. During this observance, there was a procession of people down the Mount of Olives into Jerusalem. The people waved branches of palms or olive trees as they walked,” according to EpiscopalChurch.org.

In the Orthodox Church, Palm Sunday is a continuation of the celebration of Lazarus' resurrection recorded in John 11. Palm Sunday is one of the great feasts of the Orthodox Church. It is called a movable feast day because the date changes every year in relation to Easter. Russian Orthodox churches give out willow branches because palm branches were not historically available.

In a Catholic service, the palm branches are treated as holy because they were blessed by the priest. They are not to be thrown away but instead are collected and incinerated to make the ashes used in the Ash Wednesday service.

#### Scripture to Reflect on for Palm Sunday:

Jesus' arrival in Jerusalem was a day of celebration but it was also a day that many of the cheering crowd did not understand. They thought that they were welcoming a military hero.

Jesus came in peace on a donkey to save them not from the Romans but from the curse of death and to give them eternal life in the Kingdom in Heaven.

- “When Jesus had entered Jerusalem, the whole city was stirred and asked, ‘Who is this?’ The crowds replied, ‘This is Jesus, the prophet from Nazareth in Galilee.’” (Matthew 21:10-11)

- “Blessed is the king who comes in the name of the Lord! Peace in heaven and glory in the highest!” (Luke 19:38)

- “Jesus said, ‘My kingdom is not of this world. If it were, my servants would fight to prevent my arrest by the Jewish leaders. But now my kingdom is from another place.’” (John 18:36)

- “The Lord has taken away the judgments against you; he has cleared away your enemies. The King of Israel, the Lord, is in your midst; you shall never again fear evil. On that day it shall be said to Jerusalem: ‘Fear not, O Zion; let not your hands grow weak. The Lord your God is in your midst, a mighty one who will save; he will rejoice over you with gladness; he will quiet you by his love; he will exult over you with loud singing.’” (Zephaniah 3:15-17)

# Match Your Financial Goals With The Right Strategies

To achieve most goals in life, you need some type of strategy. And that’s certainly true for your financial goals. Since you likely have multiple financial goals, you may need to pursue several different strategies – but they all should follow a similar process.

What does this process entail? Here are the basic steps:

- **Fully define each goal.** Like most people, you probably have a goal of someday enjoying a comfortable retirement. But have you defined what “comfortable retirement” means to you? Do you plan to spend your retirement years traveling the world, or would you rather stay close to home to be with family members? Would you like to pursue your hobbies? Open a small business? Think carefully about what this goal looks like.
- **Identify the costs.** Once you’ve identified a retirement vision, you need to put a price tag on it. How much income will you require? You don’t have to identify a figure down to the penny, but you should be able to come up with a pretty good estimate. A surprising number of people never reach this point – more than three-fourths of pre-retirees haven’t calculated how much they’ll need once they retire, according to Four Pillars of the New Retirement, a study by Age Wave and Edward Jones.
- **Invest appropriately for each goal.** Your investment strategy should reflect your risk tolerance and your goals. So, for example, when you’re working toward a long-term goal, such as retirement, you’re essentially investing for growth, which means you’ll accept the level of risk that always accompanies a growth strategy. But when you’re investing for a shorter-term goal, such as taking an international vacation in a few years, you may be somewhat less concerned with maximum growth and more focused on making sure that a certain amount of money is available when you need it. Consequently, you might follow an investment strategy with a lower degree of risk.
- **Understand the potential trade-offs of your financial strategy.** Each of your goals may have its own investment strategy, but you still need to look at your goals holistically. So, for instance, if you decide you need to ramp up your investing for your child’s education, will that affect your ability to put away the amounts you’ve designated for retirement? If so, do you have the flexibility to change your retirement plans somewhat, perhaps by working an extra year or so? Of course, this might not be necessary, but it does illustrate the potential impact one choice can have on another.
- **Track your progress.** It’s important to track the progress of your investments and investment strategies, but you’ll want to be careful about using market indexes as benchmarks. Your portfolio was designed for your risk tolerance and goals, so comparing it to an equity index (like the S&P 500) isn’t all that relevant, or helpful. Instead, measure your progress at least annually to determine if you’re on track to achieve the goals your strategy was designed to meet. When you review your progress, you may also want to determine if any changes in your family situation or your employment might affect your investment strategies. A financial professional can help you in this area.

Achieving your financial goals takes time, effort and commitment. But by following the most appropriate strategies for your situation, you’ve got a path that can help lead you to success.

# Superintendent says W-SR just too big for NEIC

## NEIC: FROM 1

would effectively kick Waverly-Shell Rock out of the league.

The board’s direction came just a few weeks after the Upper Iowa Conference extended invitations to 10 schools — including NEIC members New Hampton, Crestwood and Waukon — to apply for membership.

In interviews last month, Jurrens said he had concerns about the NEIC’s future as a six-team league and that if any of the schools invited by the UIC switch leagues, he doubted the NEIC could survive.

Asked on Monday how a five-team conference could survive, and Jurrens pondered the thought for a moment before answering.

“Without Waverly, I think it does make the NEIC more attractive to other schools,” he said. “I’ve emphasized all along that this is really about enrollment, size of school, and Waverly is so much bigger than the rest of the conference.”

A report released by the Iowa High School Athletic Association on Monday appears to prove Jurrens’ point. The IHSAA and the Iowa Girls High School Athletic Union both use what are called BEDs enroll-

## QUICK GLANCE AT THE HISTORY OF THE NEIC

Here are the schools that have held membership in the NEIC, their years of membership and the BEDs enrollment figures that will be used for the 2022-23 school year:

**CURRENT MEMBERS**

Charles City	1920-21 to 1938-39, 1946-47 to present	399
Crestwood*	1920-21 to present	305
Decorah	1920-21 to present	430
New Hampton	1920-21 to present	272
Waukon	1921-22 to 1938-39, 1968-69 to present	286
Waverly-Shell Rock**	1920-21 to 1924-25, 1933-34 to present	596

**FORMER MEMBERS**

Cedar Falls	1949-50 to 1960-61	1,311
Nashua***	1922-23 to 1938-39	127
Oelwein	1920-21 to 1924-25, 1931-32 to 2020-21	266
Osage	1920-21 to 1957-58	226
North Fayette Valley****	1923-24 to 1938-39	249

- Crestwood joined the league as Cresco; it consolidated with Elma, Lime Springs and Chester to form Crestwood in 1960-61.
- Waverly-Shell Rock was in the NEIC as Waverly until it consolidated with Shell Rock in the early 1960s.
- Nashua is now Nashua-Plainfield.
- North Fayette Valley was a member of the NEIC when it was just West Union; since leaving the NEIC it has consolidated with other school districts, including Fayette and Valley of Elgin.

ments — the number of students in grades 9-11 — to determine classifications for schools.

Waverly-Shell Rock’s BEDs enrollment next year is 596, 166 more than the second-biggest school in the NEIC, Decorah. New Hampton’s is the conference’s smallest school with 272 students in grades 9-11.

The NEIC was formed in 1920 with Charles City, Decorah, New Hampton, Oelwein, Cresco, Waverly and Osage as members. Over the years, membership has also included Waukon, Cedar Falls, Nashua and West Union, but only Decorah, Crestwood and New Hampton have been mem-

bers of the league from its inception.

After Waukon rejoined the NEIC in 1968, the conference enjoyed exceptional stability for more than 50 years as a seven-team conference until Oelwein departed for the North Iowa Cedar League at the beginning of this school year.

# Former Nashua city councilman will challenge Zoll in Republican primary

If the longest serving member of the Board of Supervisors is to remain on the board, he will have to survive a primary challenge this summer.

Three-term District 2 Supervisor Tim Zoll, who represents the Nashua area, is being challenged by former Nashua City Councilman Scott Cerwinski in the Republican primary and it will be one of two contested races in the primary.

Candidates had until late last month to file candidate papers, and along with the Zoll-Cerwinski battle, Republicans will also have a race for its county treasurer nomination as both Jackie Bohr and Matthew Ysbrand will seek the nomination.

Here are the other candidates who filed papers for county races:

Attorney: David Laudner (R).  
Recorder: Shirley Troyna (D).  
Treasurer: Keith J. Hoey (D).  
County Supervisor District 5: Jason Byrne (D) and Travis Suckow (R).

The winners of the June primary will move onto this fall’s general election, which is set for Nov. 8.

Thank you to all my family and friends  
for all the beautiful birthday cards,  
phone calls and visits I received  
on my 89th birthday.  
You made my birthday happy and special!  
I am forever grateful for your thoughtfulness.

# New Hampton prom set for April 30

New Hampton High School will hold its annual prom on Saturday, April 30, and the public is invited to the grand march that will begin at 7 p.m. in the old high school gym.

Admission to the grand march will be \$2, and tickets can be purchased at the high school principal’s office or at the door the night of the event.

Doors will open at 6 p.m.

# Coffeehouse Concert set for May 1

New Hampton High School’s Music Department will hold its annual Coffeehouse Concert on Sunday, May 1, in the new gymnasium.

The concert will include performances by the Nu-Hi Chorale, the Chamber Choir, the Jazz Band and the Concert Band and will begin at 2 p.m.

During the concert, both the band and choir will honor their seniors and their parents.

# Notice anything different?

It’s probably a good thing there isn’t any home baseball games in the near future for the New Hampton baseball team because let’s just say if there were, fans would have to bring their gloves to the park. That’s because work began last weekend on the latest improvement project at the park — replacing the backstop fence with netting that proponents say will make watching a game in the box seats a more enjoyable experience.

Wanda Mae Sterba, 89

Wanda Mae Sterba, age 89 of Cedar Falls and formerly of Plainfield, passed away on Thursday, March 31, 2022, at Bartels Lutheran Retirement Community in Waverly from renal failure.

Wanda was born on July 30, 1932, at her parent's farm in rural Fredericksburg, the daughter of Carl and Florence (Graepf) Mack. Wanda was baptized and confirmed in the Lutheran faith. She attended school in Frederika, graduating in 1950 from the Frederika High School.

On Sept. 30, 1951, Wanda was united in marriage to Joseph "Joe" Sterba at St. John Lutheran Church in Frederika. The couple made their home on the Sterba family farm in Fredericksburg, where Wanda worked beside Joe on the farm and babysat for area families, was a CNA as a teenager and worked as a greeter for 15 years at the Waverly Walmart, retiring in 2005. Joe and Wanda later moved to Shell Rock and Joe died on May 8, 2017.

In her spare time Wanda enjoyed traveling extensively to different continents overseas with Joe. Wanda also enjoyed gardening, square dancing, camping, snowmobiling, playing cards (especially 500), and loved her trips to the Casino.

Wanda is survived by her three sons, James (Diane) Sterba of Sumner, Jerry Sterba of Forest City, and Richard Sterba of Des Moines; one daughter, Pamela Folkerts of Waverly; eight grandchildren; 11 great-grandchildren; two sisters, Elaine Bravener of Marion, and Eleanor Wettengel of Cedar Falls; and a sister-in-law, Shirley Mack of Frederika.

Wanda was preceded in death by her parents, Carl and Florence; her husband, Joe; and her brother, Merle Mack.

Celebration of life services were held at noon on Tuesday, April 5, 2022, at Kaiser-Corson Funeral Home in Waverly.

Public visitation was held on Tuesday, April 5, 2022, from 10 a.m. to noon. Following the service there was a light luncheon at the funeral home and then burial in Rose Hill Cemetery, Fredericksburg.

Memorials may be directed to Davita Cedar Valley Dialysis Center or American Cancer Society. Online condolences for Wanda's family may be left at [www.kaisercorson.com](http://www.kaisercorson.com). Kaiser-Corson Funeral Home in Waverly is assisting the family.

Speaker to share near-death experience on May 7

A Canadian airline pilot will share the story of what he calls his "11 hours in Heaven" during a program next month at Hugeback-Johnson Funeral Home in New Hampton.

Jim Woodford will share the story of his lying in a hospital bed, clinically dead for more than 11 hours, at the program that will be held at 1 p.m. on Saturday, May 7.

Since his experience, Woodford has shared his story — one in which he says he was "transported to the wonders of Heaven and the horrors of Hell" — throughout North America.

There is no cost to attend the program, but the funeral home is asking residents who would like to attend the program to call 641-394-4334 to make a reservation.

## Kenneth ‘Ken’ R. Heying, 65

Kenneth “Ken” R. Heying, age 65 of North Washington, passed away on Monday, April 4, 2022, at Mercy North Iowa Medical Center in Mason City surrounded by his family.

A Mass of Christian Burial will be held at 10:30 a.m. on Friday, April 8, 2022, at Immaculate Conception Church in North Washington with Father Brian Dellaert celebrating the Mass. If you are unable to attend the services in person, please join via Conway-Markham Funeral Home’s Facebook page Livestream.

Burial will be held at St. Mary’s Cemetery in North Washington.

Visitation will be held from 4 to 7 p.m. on Thursday, April 7, 2022, at Conway-Markham Funeral Home in New Hampton, and will continue at the church one hour prior to the funeral mass on Friday.

Online condolences for Kenneth’s family may be left at [www.conway-markhamfh.com](http://www.conway-markhamfh.com). Memorials may be directed to the family.

Kenneth Raphael was born May 23, 1956, the son of Francis “Mike” and Arlene (Schwickerath) Heying in New Hampton. He attended and graduated from New Hampton High School.

While in high school and at the Town and Country Mixer in Alta Vista, Ken met his high school sweetheart and love of his life, Luann Zeien.

After completing his education, Ken began working as

Ken Heying

a backhoe operator for Henry Suhr, and Schwickerath Tiling.

Ken and Luann were united in marriage on April 23, 1977 at Immaculate Conception in North Washington. The couple made their home outside of North Washington on a farm where they milked cows and raised livestock and crops. Through the years, they welcomed their children — Derek, Jackie and Lucas.

Ken worked at Bay Valley Foods for 17 years and most recently part-time at TriMark until his eyesight failed him.

He enjoyed so much of life, whether it was camping, canoeing, dirt biking, wrenching on machinery and tractor pulling. Together, he and Luann, taught their children what hard work was really about and how to truly enjoy the down time with family and friends, playing cards, especially Euchre, check-

ing crops and Ranger rides with the grandchildren.

Ken was known as the master of breakfast and the grill but most certainly not cleaning up.

Ken and Luann would have celebrated their 45th wedding anniversary on April 23 and have so many memories to look back at and celebrate. Together, they spent much time snowmobiling and golfing.

Ken’s memories are honored by his loving wife of 45 years, Luann Heying of North Washington; his children, Derek (Jessica) Heying, Jackie Heying and Lucas (Zachary Connor) Heying, all of New Hampton; grandchildren, Ashton, Hayden and Alexander; his siblings, Roger (Irene) Heying of Harpers Ferry, Shari (Dale) Blocker of Ionia, Larry (Cindy) Heying of New Hampton, Greg (Nancy) Heying of New Hampton, Randy (Jenn) Heying of New Hampton, Don (Jackie) Heying of Rochester, Minnesota, and Mike (Dawn) Heying of New Hampton; his mother-in-law, Rita Zeien; his in-laws, Leon (Linda) Zeien of North Washington, Lenny (Deb) Zeien of Floyd, Sandy (Joe) Attleson of Kasson, Minnesota, Randy (Vickie) Zeien of Chandler, Arizona, and Richard (Sharon) Zeien of New Hampton; and numerous nieces and nephews.

He was preceded in death by his parents, Mike and Arlene Heying; sister, LuAnn Glaser; his brother, Edward; father-in-law, Francis Zeien; and niece, Brittney Heying.

## City Council gives go-ahead to departments to get ‘in line’ for vehicles

There wasn’t a lot on the New Hampton City Council agenda Monday night, but city leaders gave both the city’s police chief and public works director permission to get “in line” to purchase new vehicles.

City Clerk Karen Clemens said that because the wait time for new vehicles is so long, GM is offering a 36-hour period for cities, counties and other public entities to

pre-order vehicles.

So a few hours after the Chickasaw County Board of Supervisors gave its engineer the OK to put in an order for the Secondary Roads Department, the City Council followed suit.

“They’re still telling us that we probably won’t get anything until 2023,” Clemens said Tuesday, “but I think the council real-

izes we have to get our foot in the door so that we can keep our vehicles up to date.”

Also on Monday night, council members listened to a proposal from Public Works Director Casey Mai, who asked the council to consider purchasing services from Beacon, which will help city officials better use mapping services for planning but held off on making a decision.

## News Bits From Our Past

**Week of April 3 1947 (75 years ago)**  
• The New Hampton city election on Monday, March 31, 1947, was a big event in spite of the drizzle and 1,244 voters came out to vote for mayor, councilmen and other officers. For Mayor, Mark Eischeid was an easy winner with 826 votes to 418 for A.L. Wachholz.

**1997 (25 years ago)**  
• Three graduates of New Hampton High School were recently inducted into the New Hampton High School National Achievement Honor Roll. This award was established in 1964 by the NHHS Student Senate for students or graduates who have attained national recognition for outstanding service, athletic ability, artistic achievement, or intellectual excellence.

The inductees are William L. Lillibridge, Class of 1954, medicine; Chaplain Irving C. Njus, Class of 1948, ministry; and Dr. Dennis Haugen, Class of 1975, forestry and entomology.

**2012 (10 years ago)**  
• The Fredericksburg City Council and the Chickasaw County Board of Supervisors have reached a new agreement for the city’s law enforcement.

At a recent meeting, the Fredericksburg Council accepted the terms of a counter offer it received from the county for a one-year contract.

Under the new contract that will begin July 1, the Chickasaw County Sheriff’s Office will provide 150 hours of dedicated

law enforcement each month to the city at a cost of \$80,000 for the year.

**2017 (5 years ago)**  
• Thousands of dollars for the TRIBE Trail were raised Saturday evening. The TRIBE Trail Committee raised \$14,000 for the bike trail that will connect existing trails in Mikkelson Park and the city’s west side Industrial Park.

About 220 residents turned out for Saturday’s “Fools for Fitness” that included an appetizer buffet, live music and an auction led by Nick Noehl.

• A former Iowa State University football player visited the St. Joseph Community

**Board Proceedings**  
The Board of Directors for the New Hampton Community School District met in a special session, Thursday, March 31, 2022 in the superintendent's office. President Matthews (via phone) called the meeting to order at 7:30 am with directors A. Schwickerath (via phone), Director Denner, Director N. Schwickerath, Director Ayers, Superintendent Jurens, and Board Secretary Roethler.  
Director Denner moved to approve the agenda. Director N. Schwickerath seconded the motion. Ayes: Denner, A. Schwickerath, N. Schwickerath, Ayers and Matthews. Nays: none.  
AGENDA ITEM  
New Hampton Community School District  
Resolution Authorizing the Redemption of General Obligation School Bonds, Series 2018, Dated June 6, 2018, Approving a Second Amendment to Escrow Agent Agreement, and Levying a Tax for Fiscal Year 2023 for the Redemption of General Obligation School Bonds, Series 2018, Dated June 6, 2018  
THIS AGENDA ITEM MUST BE POSTED PURSUANT TO IOWA CODE CHAPTER 21 AND THE LOCAL RULES OF THE SCHOOL DISTRICT.  
Board Member Denner introduced the following Resolution and moved its adoption. Director A. Schwickerath seconded the motion to adopt. The roll was called, and the following Directors voted:  
AYES: Tim Denner, Adam Schwickerath and Jay Matthews  
NAYS: Bob Ayers and Nate Schwickerath  
The President declared the Resolution adopted as follows:  
Resolution Authorizing the Redemption of General Obligation School bonds, SERIES 2018, Dated June 6, 2018, APPROVING A SECOND AMENDMENT TO ESCROW AGENT AGREEMENT, and Levying a Tax for fiscal year 2023 for the Redemption of General Obligation School bondS, SERIES 2018, Dated June 6, 2018  
WHEREAS, the New Hampton Community School District (the "District") issued \$9,415,000 General Obligation School Bonds, Series 2018, dated June 6, 2018 (the "Series 2018 Bonds"), \$8,345,000 of which are currently outstanding; of which \$135,000 were called for redemption on June 1, 2024 pursuant to a Resolution adopted on March 16,

2018 Bonds. All liability for interest on the Redeemed Bonds shall cease, terminate, and be completely discharged as of June 1, 2024 as provided in Section 6(b) of the Resolution Authorizing the Issuance of the Series 2018 Bonds.  
Section 3. There is levied upon all the taxable property of the District for the fiscal year ending June 30, 2023, \$145,000 which when collected shall be deposited with the Paying Agent pursuant to the Escrow Agent Agreement, as amended. The Paying Agent is authorized and directed to call and redeem the Redeemed Bonds on June 1, 2024. Annually, on each June 1, beginning June 1, 2024 the investment earnings on the Escrow Fund and any other funds in excess of the amount required to redeem the Redeemed Bonds shall be deposited into the School Bond Fund 2018 for payment of principal and interest on the Series 2018 Bonds. Any remaining balance on June 1, 2024 shall be deposited in the School Bond Fund 2018.  
Section 4. The Second Amendment to the Escrow Agent Agreement is hereby authorized and approved, and the President and Secretary are authorized and directed to execute the Second Amendment to Escrow Agent Agreement. Upon deposit on or before June 1, 2023 of \$145,000 with the Escrow Agent, the Escrow Agent is authorized and directed to invest such funds, at the written direction of the District, in Treasury Securities of the State and Local Government Series (SLGS) or direct U.S. Treasury obligations, at a yield not to exceed the yield on the Bonds and to mature on or before June 1, 2024. Absent such written investment direction from the District, the Escrow Agent shall hold such funds uninvested. The District must comply with the rebate requirements of the Resolution authorizing the issuance of the Series 2018 Bonds.  
PASSED AND APPROVED this 31st day of March 2022.

**ORDINANCE NO.2022-1 ELECTRIC FRANCHISE (TRANSMISSION SYSTEM) 1.01 GRANT OF FRANCHISE.**  
There is hereby granted to SOO GREEN HVDC  
LINK PROJECTCO, LLC, herein-after referred to as "SOO Green" or the "Company," its successors and assigns, the right and franchise to construct, reconstruct, repair, replace, maintain and operate in the City of Lawler, Iowa ("City"), the necessary conduits, and other appliances or equipment for the transmission of electric current and communication facilities (collectively, the "Facilities") and the right to construct, reconstruct, relocate, repair, replace, maintain and operate the Facilities under the streets, avenues, alleys and public places and in a certain railroad right of way in the City of Lawler, Chickasaw County, Iowa. This franchise shall be effective for a twenty-five (25) year period from and after the effective date defined in Section 1.015 herein ("Effective Date"). SOO Green is also granted the right of eminent domain as provided in Iowa Code Section 364.2(4) as reasonably necessary to carry out the purposes of this franchise. ("Franchise" or "Ordinance").  
**1.02 PLACEMENT OF FACILITIES; INDEMNIFICATION.** The Facilities shall be placed and maintained so as not to unnecessarily interfere with travel on the streets, alleys, and public places in the City or unnecessarily interfere with the proper use of the same, including ordinary drainage, or with the sewers, underground pipe, and other property of the City, and the Company shall hold the City free and harmless from all damages arising from the negligent acts or omissions of the Company in the installation or maintenance of the Facilities.  
**1.03 EXCAVATIONS.** In making any excavations in any street, alley, or public place, the Company shall protect the site while work is in progress, shall not unnecessarily obstruct the use of streets, and shall back-fill all openings in such manner as to prevent settling or depressions in surface, pavement, or sidewalk of such excavations with same materials, restoring the condition as

nearly as practical.  
**1.04 RELOCATION FOR CITY PROJECT.** The Company shall, at its cost and expense, locate and relocate its Facilities in, on, over or under any public street or alley or other public place in the City in such a manner as the City may at any time reasonably require for the purposes of facilitating the construction, reconstruction, maintenance or repair of the street or alley or any public improvement of, in or about any such street or alley or reasonably promoting the efficient operation of any such improvement ("City Project") The Company shall not be required to relocate, at its cost and expense, Company facilities in the public right-of-way that have been relocated at company expense at the direction of the City in the previous three (3) years. The City and the Company desire to minimize, to the fullest extent possible, the risk that any of the Facilities would require relocation for the purposes of a future City Project. The City has reviewed the engineering plans for the Facilities and used its best available information to identify any areas where a City Project may occur during the term of this franchise and could potentially result in a Facilities relocation. The City and the Company will work together to revise the location of the Facilities prior to construction to reduce the risk of any conflict. For future City Projects, the following will apply:  
a. In developing a City Project, the City shall consider reasonable alternatives so as not arbitrarily to cause the Company unreasonable additional expense.  
b. If there is a potential conflict between a City Project and the Facilities, the City and the Company will work together to identify alternatives that would avoid relocation of Facilities. When such alternative is available, SOO Green will have the option to pay the incremental cost, if any, associated with the alternative to avoid relocation and the City will implement that alternative if SOO Green so elects.  
c. If a relocation of Facilities cannot be avoided, the City will provide a reasonable alternative location for the Company's facilities within City right-

of-way. The Company shall be solely responsible for any additional cost to the City as determined by the City Engineer in the City Engineer's sole discretion for providing such alternative location. If the alternative location the City can provide within the City right-of-way is not acceptable to the Company, the Company is granted the power of eminent domain to acquire the land rights necessary to relocate the Facilities to a suitable location. The Company will not be required to deactivate and relocate existing Facilities until the relocated Facilities are operational.  
**1.05 RELOCATION FOR PRIVATE PROJECT.** If the City orders or requests the Company to relocate its Facilities for the primary benefit of a commercial or private project, or as the result of the initial request of a commercial or private developer or other non-public entity, the City shall require advance payment to the Company for all construction and transactions costs and the provision of an alternative location for the Facilities of such relocation from such developer or other non-public entity as a precondition to relocating the Facilities. If such pre-payment is made, the Company will not be required to deactivate and relocate existing Facilities until the relocated Facilities are operational.  
**1.06 VACATION OF PUBLIC RIGHT-OF-WAY.** The City shall give the Company reasonable advance written notice to vacate a public right-of-way. Vacating a public right-of-way shall not deprive the Company of its right to operate and maintain existing Facilities within the vacated right-of-way and the City shall grant the Company a utility easement in the vacated public right-of-way until the City orders or requests the Company to relocate its Facilities. If such relocation is for the primary benefit of a commercial or private project, or as the result of the initial request of a commercial or private developer or other non-public entity Section 1.05 of this Franchise shall control. If the relocation is for a Public Project, Section 1.04 shall control.  
**1.07 VEGETATION MANAGEMENT.** The Company is authorized and empowered to prune or remove at Com-

pany expense any trees, shrubs, or vegetation extending over or into any street, alley, right-of-way, or public grounds to construct and operate the transmission line and to maintain electric reliability, safety, or restore utility service. Any such pruning or removal shall be done in accordance with accepted safety and utility industry standards and federal and state laws, rules, and regulations.  
**1.08 PUBLIC PLACES.** "Public places" means any property owned by the City.  
**1.09 NON-EXCLUSIVITY.** The franchise granted by this Ordinance shall not be exclusive.  
**1.10 REPEAL OF CONFLICTING ORDINANCES.** All ordinances, or parts of ordinances, insofar as they are in direct conflict herewith, are hereby repealed.  
**1.011 ASSIGNMENTS.** No sale, assignment or lease of this franchise shall be effective until it is approved by the city council and after the City clerk has filed in the office of the city clerk written notice of the proposed sale, transfer, disposition or assignment, such notice to clearly summarize the proposed procedure and the terms and conditions thereof. Such approval by the city council shall not be unreasonably withheld.  
The proposed vendor, assignee or lessee shall similarly file an instrument, duly executed, reciting such proposal, accepting the terms of this franchise and agreeing to perform all the conditions thereof. This provision shall not apply, however, to collateral assignments in connection with a project financing of the project.  
**1.012 CONFIDENTIAL INFORMATION.** Upon reasonable request, the Company shall provide the City, on a project-specific basis, with information indicating the horizontal location relative to boundaries of the right-of-way of all equipment which the Company owns or over which it has control located within City right-of-way. The Company and City recognize the information provided may, under current Iowa law, constitute public records, but that nonetheless, some information provided may be confidential under state or federal law, or both. Therefore, the City shall not re-

lease any information with respect to the location or type of equipment which the Company owns or controls in City right-of-way that the Company certifies may constitute a trade secret or which, may otherwise be protected from public disclosure by state or federal law. The City further agrees that no documents, maps, or information provided to the City by the Company shall be made available to the public or other entities if such documents or information are exempt from disclosure under applicable state or federal law. Any documents, maps, or other information submitted to the City which the Company regards as exempt or protected from public disclosure shall be clearly marked as Confidential by the Company. Upon request of the City, the Company shall provide citation to legal authority supporting its designation. The City shall inform the Company of any request for disclosure of such confidential documents, and upon notification from the City of any request or legal action regarding such confidential information.  
**1.013 SEVERABILITY.** If any of the provisions of this franchise are for any reason declared to be illegal or void, the lawful provisions of this franchise, which are severable from said unlawful provisions, shall be and remain in full force and effect, the same as if the franchise contained no illegal or void provisions.  
**1.014 NOTICES:** Any written notice required by this Franchise shall be sent by first class mail to the persons and addresses below.

**1.015 EFFECTIVE AND BINDING.** The City shall provide the Company with an original signed and sealed copy of this Ordinance within ten (10) days of its final passage. The Effective Date of this Ordinance shall be the earlier of (a) the date the Company provides written notice

to the City Manager that any mobilization, staging, or construction of the Facilities will commence within the City limits or (b) December 31, 2026. The Company shall file its written acceptance of this Ordinance with the City Council by email within sixty (60) days after its approval by the City Council.  
**1.016 COMPLETE AGREEMENT.** This franchise ordinance sets forth and constitutes the entire agreement between the Company and the City of Lawler with respect to the rights contained herein, and may not be superseded, modified or otherwise amended without the approval and acceptance of the Company.  
**1.017 PUBLICATION EXPENSES.** The expense of the publication of this Ordinance shall be paid by the Company.  
**1.018 RENEWAL.** The City and the Company will meet at least 12 months prior to the expiration of this Franchise to discuss renewal of the Franchise.  
**1.019 ENTIRE AGREEMENT.** This Ordinance sets forth and constitutes the entire agreement between the Company and the City with respect to the rights contained herein, and may not be superseded, modified, or otherwise amended without the approval and acceptance of the Company. In no event shall the City enact any ordinance or place any limitations, either operationally or through the assessment of fees, that create additional burdens upon the Company, or that delay utility operations.

Supervisors move ahead on bridge project despite inflation concerns

By BOB FENSKE  
editor@nhtrib.com

Chickasaw County Engineer Roman Lensing gave his bosses — the Chickasaw County Board of Supervisors — a real-world taste of how inflation is making road projects challenging these days.

During Monday’s meeting, supervisors opened bids for a bridge replacement project the county has been planning for this summer, and let’s just say they got a little sticker shock.

“We’re really seeing it right now,” Lensing said after the low bid for a bridge on 260th Street east of Cheyenne Avenue came in at \$148,400. “Throw in the rock letting we did last week with this, and it’s making it really challenging.”

During last week’s meeting, supervisors accepted a bid of \$13.91 a ton for road rock, an increase of 8 percent from the \$12.88 the county paid for rock a year ago.

Monday’s news was even worse.

Lensing told supervisors a similar bridge project last year cost about \$80,000 and that even when he asked for an estimate on the 260th Street project in November, he was told it would be about \$96,000.

“I mean that’s what happened in the last four months,” he told supervisors. “The rock, this bridge project ... it makes

you think about what can we realistically get done.”

But the Board of Supervisors decided to accept the bid from PCI, especially after Lensing told them that “this bridge will probably be closed if we don’t do it this year.”

Board members debated on how to pay for the extra costs, with Supervisors Jacob Hackman saying he felt the board should consider using federal American Rescue Plan Act, better known as ARPA, funds.

But fellow Supervisor Jason Byrne said he wanted to wait to see about “other projects,” including the ambulance feasibility study by SafeTech Solutions before earmarking ARPA funds for road projects.

Board members discussed

using rural road infrastructure funds or transferring money from the county’s rural services fund to pay for the project.

After Monday’s meeting, Lensing said the dramatic increases in everything from road rock to fuel to construction projects has him worried.

“My guess is these fuel prices are going to be with us for a while, and that’s a big driver on this,” he said, “but if we see inflation like this every year, some things just aren’t going to be able to get done.”

In other news from Monday’s meeting:

• Supervisors learned that SafeTech Solutions will present a report to the Ambulance Council and the board on Tuesday, May 17.

When SafeTech officials held

a town-hall meeting last week, they told residents that they would return to Chickasaw County sometime this spring to present four to six options the county could use for EMS.

“This is basically that Phase II they were talking about,” said Hackman, who also serves on the Ambulance Council, “and we don’t know a time or a place yet, but we want to get the word out so people who are interested can plan for that day.”

Once SafeTech presents its report and the options for the

county, company officials say they will return to help the county implement the options they choose.

• Supervisors approved a resolution tabbing April as Child Abuse Prevention Month in the county.

The county has an active Child Abuse Prevention Council, and member Lisa Welter, who is also the county’s Public Health administrator, said the group plans to have displays and information in places like the courthouse,

schools and fire departments throughout the county.

Supervisors also set a public hearing for April 18 on a amendment to the county’s 2021-22 budget because of changes since the budget was adopted last year.

NOTICE OF PROPOSED ACTION TO CONSIDER AND INSTITUTE PROCEEDINGS TO ENTER INTO A LOAN AGREEMENT (GENERAL OBLIGATION DEBT)

The City Council of the City of New Hampton, Iowa, will meet on April 18, 2022, at the Council Chambers, in the City, at 7:00 o'clock p.m., for the purpose of considering and instituting proceedings and taking action to enter into a loan agreement (the "Agreement") and to borrow money thereunder in a principal amount not to exceed \$250,000, for the purpose of paying the cost, to that extent, of completing Phase 3 of the TRIBE Trail in the New Hampton City Limits.

The Agreement will constitute a general obligation of the City, it will be payable by way of taxation, together with any additional obligations of the City as may be hereafter issued and outstanding from time to time ranking on a parity therewith, will be payable solely and only from the Debt Service Levy.

At the aforementioned time and place, oral or written objections may be filed or made to the proposal to enter into the Agreement. After receiving objections, the City may determine to enter into the Agreement, in which case, the decision will be final unless appealed to the District Court within fifteen (15) days thereafter.

By order of the City Council of the City of New Hampton, Iowa.

Karen Clemens City Clerk

Having senior back big plus for Chickasaw boys

NH BOYS TRACK: FROM 14

relay, with Ben Tenge, Lance Reicks, Hunter Serie and Dylan Usher. “Dylan had a pretty good night, he had a PR on his anchor leg, he ran fourth in the 1,600 and he also anchored the sprint medley which finished second. We’ll take that kind of meet from him any day, having him back has been a huge help.”

Tenge and Reicks were also in the sprint med, with Braden McShane running a leg. McShane ran to a silver in the open 400 and anchored the 4x100, which placed third with Tenge, Serie and Carter Cahoy.

Other PRs went to Jacob Burgart in the shot put, Marshall Zeien and Carsyn Leistikow in the discus and Ethan Praska had his best time on the anchor leg of the 4x800.

“Ethan hadn’t been able to practice at all last week with shin splints, but he went out and tore up the track. Elliott Eiler ran an 800 for the first time, he’s a kid that going to give 100 percent every time.”

This is the first year junior Aiden Roberson has competed in any hurdle events, he anchored the shuttle hurdle and finished fourth in the 110 high hurdles. “Aiden really looked good, he looked comfortable, especially since he never hurdled before this year.”

Reicks was also fourth in the 400 hurdles, and although it

didn’t score points for the team, Jenkins said his weight person relay of Leistikow, Eiler, Zeien and Burgart was pretty happy with its first place finish.

Should the weather surprise us, the boys are scheduled to travel to a meet at Waverly Thursday and go back to Decorah Monday.

New Hampton goalkeeper comes up with big saves in shutout

SOCCER: FROM 14

December to come watch Montiel – a Turkey Valley junior forward – put on a dazzling display of offensive fireworks in this Chickasaw debut.

“I was very happy to see the fans that came out tonight,” said Chickasaw head coach Shannon Maas. “I feel like we had a good showing.”

Montiel netted two goals in the first five minutes of the match against an undermanned Comets squad that was without several key players from a year ago that were not activated due to school protocols.

Regardless, New Hampton owned this match and piled on the points. Montiel’s first goal came less than 30 seconds into the match.

“This game boosted our confidence and they had fun,” said Maas. “They were freezing but I could tell they had lots of fun. That’s – at the end of the day – what it’s all about.”

New Hampton – in just its second season of organized competition – put up a flurry of goals that puts them well on its way to matching last year’s goal total of 21.

The Chickasaws won two matches last year – one against Charles City – but managed to stay competitive despite the lack of experience and breaking in a new program.

Montiel, who hails from southwestern Mexico (the state of Guerrero to be precise), was happy for his teammates and the fans that braved the elements to witness a Chickasaw win.

“The team looked really good and I hope we all succeed in the long run,” said Montiel.

Montiel said this was the coldest weather he’s ever played in but he prepared his mind to stay in-sync with his body to power past the biting wind that made the outside temps feel like they were in the single-digit range.

“Before the actual game starts, I think in my mindset I’m going to be ready to go,” said Montiel.

New Hampton never once put its foot on the brakes and well could have initiated the 10-goal mercy rule had starters not left the contest about halfway through the second half.

“Victor’s a very skilled player and a lot of kids look up to him in that way,” said Maas. “When he got those goals other people started to score and got involved. What I liked about tonight is that it wasn’t just one person. Lots of people scored – a lot of people assisted.”

It was pedal-to-the-metal scoring as

New Hampton’s Aydin Ries tries to beat the Charles City goalkeeper and get off a shot during last week’s season opener.

sophomore midfielder Carter Broughton slid one into the back of the net past the Comet goalkeeper after a perfect cross from Montiel for the fourth goal of the game with roughly 12 minutes remaining in the first half.

Temps hovering around freezing? No problem for Broughton and his Chickasaws.

“We practiced outside yesterday and it was way worse and felt way colder. We’re a little bit used to it,” said Broughton.

Broughton netted his second goal of the match eight minutes into the second half. His two goals on Thursday match his season total from a year ago.

“There was some really good passes. Victor set me up on the first one,” said Broughton. “He’s a very good asset.”

NH junior midfielder Treyce Orr also had a fine game. His pretty assist to sophomore Xander Meyerhoff continued the rout underneath 12 minutes left before intermission. Meyerhoff did the rest after Orr set him up as he made good on NH’s fifth goal. That goal came literally seconds after Broughton’s first goal of the night.

Aydin Ries, a junior, raced under a free kick and dribbled his way near the penalty

box. His shot was true with 3:16 left in the first half and the Chickasaws leading 6-0.

Broughton scored again at the 31:57 mark and like the quick back-to-back goals late in the first half – the Comets leaky defense reared its ugly head once more seconds later as Orr joined the scoring party. He found the back of the net after Montiel’s shot ricocheted off the goalie’s hands. Orr slapped it home for the final score of the evening.

NH junior goalie Carver Bouillon preserved the shutout after he made two nice saves in the 29th minute of the first half and eight minutes into the second half.

NH will have to replace over 70 percent of its scoring from 2021 as seniors Diego Nunez (eight goals), Dani Tinajero (four goals) and Ivan Camarillo (three goals) have all graduated. NH senior Edgar Nunez (Diego’s brother) is a key returnee for NH but did not play. Edgar said he hopes to play in the Chickasaws’ next match at home versus Postville on Tuesday.

Charles City played to a 2-16 mark last season. One of those wins came against New Hampton, 6-1, in the season opener. The Chickasaws won the rematch versus CC, 3-2.

Chickasaws fall to Postville, 5-2

BY KELLY TERPSTRA  
sports@nhtrib.com

With a strong wind at its back and a determined resolve, the New Hampton soccer team showed what they are capable of Tuesday night against Postville.

It’s the start that they’re still working on.

The Pirates, led by Norvin Guerra and Carlos Martin’s two goals apiece, raced out to an early 4-0 advantage at half-time and held off an impressive Chickasaw second-half charge to outlast New Hampton (1-1) by a margin of 5-2.

At times the underdog Chickasaws appeared to have Postville (2-0) on the ropes but couldn’t land a knockout punch to make the non-conference matchup really interesting.

“There’s good things that I can take away from this game. The crosses, everything – the communication we had as a team,” said NH senior midfielder Edgar Nunez.

There were the two goals scored by the Pirates in the opening eight minutes of the contest that proved pivotal.

“The first half I was talking to the team, I was just saying we were scared to put a leg in and showing defense,” said Nunez.

There were crosses that resulted in near misses – an indirect free kick just outside the penalty box by Nunez that almost resulted in a goal from the Chickasaw’s main scoring weapon, junior forward Victor Montiel.

Nunez managed another beautiful cross that sophomore Carter Broughton put in the back of the net with 24:00 left

in the second half to put the Chickasaws on the board. NH trailed 4-1 at that point and could have added more.

Montiel absolutely scorched a shot from 25 yards out that slammed against the crossbar. The side-winding kick from far out demonstrated just how lethal his kicks should be this season.

Nunez also came up just short on a nifty assist on a corner kick in the second half that was inches away from being put home by junior Treyce Orr.

Montiel struck home a loose ball to end the match’s scoring with 14:00 remaining on the second half clock.

“At first we started to play a little bit timid and eventually got more confidence. Because Postville’s a pretty good team, we were a little nervous first half,” said NH head coach Shannon Maas. “It helps when you score a goal.”

Chickasaw goalie Carver Bouillon bounced back to put on a show near the net in the second half with repeated saves to slow down the Pirates scoring. He ended up with 16 saves, several of them diving stops.

New Hampton’s second match of the season was again played in less than stellar weather conditions. It may have been warmer than the season opener against Charles City, but a strong wind and overcast sky – coupled with rain that sprinkled off and on – made its once again a challenging night for both teams.

New Hampton plays in the Postville tournament this Saturday.

# Turkey Valley’s Huber claims girls crown at home tourney

Turkey Valley’s Cadyn Huber got her trapshooting season off to a strong start Saturday when she claimed the top girls score at the Turkey Valley Invitational. Huber missed just one clay and finished with a 49 to top New Hampton’s Kayla Holschlag and Oelwein’s Hayley Burke by four shots. Turkey Valley Red finished sixth in the squad standings with a 217 and was led by Jackson Vsetecka, who fired a 48 and was involved in a five-way shootoff for third place. Vsetecka had an 18 in the shootoff to finish sixth overall in the meet. Turkey Valley had a meet at Cresco on Tuesday, travels to the Nashua-Plainfield Invitational on Saturday and will take part in a triangular hosted by New Hampton on Monday. **TURKEY VALLEY INVITATIONAL TOP SQUADS** New Hampton Red 236, New

places as Kayla Holschlag led the way with a 46 and Josie Fuerstenberg and Tori Bearman both had 44s. Two days later, New Hampton made its way to Turkey Valley for its first Saturday tournament of the season, and New Hampton Red fired a 246 to claim the team title by five shots over New Hampton Black. Red was led by Ashton Venem’s 49, which was good for second in the individual standings, while Carson Fangman and Sam Singewald were part of a five-person log-jam at 48, leading to a shoot off in which New Hampton’s Trinity Schwickerath fired a 22 to take third by two shots over teammate Tanner Njus. Holschlag had to settle for second in the girls individual standings as her 45 was bested by Cadyn Huber of Turkey Valley by four shots. Monday, though, completely belonged to New Hampton as both the boys and girls swept the top three places. Gavin Rings, Jake

Schwickerath and Singewald all had 49s to pace the boys, and Red shot a season-high 239 to beat Gold by six shots for the squad title. On the girls side, Holschlag fired a 48, four shots better than two teammates — Bearman and Jaiden Fettkether. New Hampton will return to the range this afternoon (Thursday) for a meet against Nashua-Plainfield and Charles City at the Nashua Fish and Game Club. It will return to Nashua on Saturday morning for the Nashua-Plainfield Invitational before returning home to the Fredericksburg Sportsman’s Club for a meet against Turkey Valley and Waverly-Shell Rock on Monday. **NEW HAMPTON VS W-SR TOP SQUADS** Waverly-Shell Rock Black 230, New Hampton Black 228, New Hampton Red 224. **TOP BOYS** Kaelan Smith (WSR) 50, Ethan Swehla (NH) 48, Joshua Scott (NH) 48, Nick Brincks (NH) 48, Tyler Resor (WSR) 48. **TOP GIRLS** Kayla Holschlag (NH) 46, Josie Fuerstenberg (NH) 44, Tori Bearman (NH) 43. **NEW HAMPTON SQUADS** Black (228) - Teigen Howe 44, Daniel Orthaus 45, Layne Nehl 45,

## New Hampton trapshooters come out firing

Team shows off plenty of depth, talent during the first week of 2022 season

By **BOB FENSKE**  
editor@nhtrib.com

New Hampton's trapshooting team may not have won its first meet of the season, but make no mistake about it, it showed during the first three competitions that it will remain a powerhouse when it comes to the sport.

New Hampton showed off plenty of depth and talent as its Red squad picked up wins at both the Turkey Valley Invitational on Saturday and a triangular with South Winneshiek and Oelwein on Monday.

And it may have been that Monday meet that showed just how deep and talented New Hampton is as the Chickasaws had the five top squads, the

top seven individual boys scores and seven of the top 10 individual girls scores.

New Hampton opened the season last Thursday, and although Waverly-Shell Rock Black claimed the squad title with a 230, New Hampton squads filled the next three spots as Black, led by Joshua Scott's 48, fired a 228, Red finished with a 224 and Gold had a 223.

Kaelan Smith of Waverly-Shell Rock won the individual title with a perfect 50, but three Chickasaws shot 48s. In addition to Scott, Ethan Swehla and Nick Brincks missed just two clays in the season opener.

New Hampton, meanwhile, swept the top-three girls

Victor Montiel was shivering at the conclusion of his team's soccer match on Thursday night.

It was cold, windy and felt like winter.

But Montiel's smile more than made up for the less-than-pleasant weather conditions on a frigid and blustery early spring afternoon. Ominous and overcast skies threatened to pile on even more snow down on the New Hampton Chickasaw's soccer field on the final day of March.

The ices of March were still in full effect.

It seems Charles City didn't get the message because the Chickasaws were just as men-

acing as the gloomy weather outside.

The Comets would have been

better off running for cover as Montiel netted three goals for a first-half hat trick just over 20 minutes into the match as New Hampton rolled past its NEIC rival 8-0 in the season opener.

"It was a good thing the team

played together," said Montiel. "Passes were everything - I got to my shots."

Fans were triple-layered and bundled up like it was late

## Chickasaw boys find host of positives in their outdoor debut

New Hampton shows improved depth in fourth-place finish at Decorah meet

By **DOROTHY HUBER**  
dorhubernews@gmail.com

As the first outdoor track meet of the year is now in the books for the New Hampton boys, it feels as if the spring season is officially underway.

Good thing, too, as the state qualifying meet is just five weeks from today (Thursday).

The boys were fourth of six teams competing at the Decorah Early Bird on Tuesday, as the second year for coach Scott Jenkins gets into full swing.

"Hopefully we'll be getting in as many outdoor meets as we can," he said on Wednesday. "I heard a lot of 'I know I can run faster' type of comments after the meet, so that's encouraging."

Although Jenkins now has a year of coaching under his belt, there are still things he can't plan for. An illness left the Chickasaws without a 3,200 runner and New Hampton junior Peyton Anderson stepped in. At some point Jenkins wanted to put Anderson in the 3,200, but that particular meet he was scheduled for the 4x800 relay.

"PJ asked, 'can I run that?'" said Jenkins of the 3,200. "I told him I've gotta find someone to run the 4x8 then and he said 'no, I'll run that too.'" Jenkins wasn't convinced, since the events run back-to-back, but couldn't find another 800 runner.

"I wanted that 4x800 to compete, so I told him you're either going to have to NOT run the 3,200 or run the events back-to-back," Jenkins said with a laugh. "He said 'OK, I'll do it.'"

Anderson won the 3,200 with a personal record time of 10:56.02. "And about seven minutes later he hangs in there and ran a good time in the 4x8. He ran the 3,200 pretty hard. We looked at his lap times and they were very consistent. That's the mark of a good cross country runner."

Most of the Chickasaw runners on that day competed in four events, all were in at least three as Jenkins made use of what could possibly, if you believe the forecast, be the only meet of the week.

First-place points were also earned by the distance medley
