New Hampton police chief: Department is not seeking sheriff's contract

Nosbisch miffed at discussion during meeting about city's need to contract with sheriff's office

By Bob Fenske
editor@nhtrib.com

New Hampton Police Chief Zach Nosbisch did not attend Monday's Chickasaw County Board of Supervisors meeting, but it didn't take him long to learn that his department was discussed by county leaders.

And he wasn't exactly thrilled to hear it.

During the meeting in which the Board of Supervisors acknowledged the hiring of New Hampton Police Officer Braxton Rash as a new sheriff's deputy, Supervisor Jake Hackman asked Sheriff Marty Hemann if he thought the county's largest city may need to turn to the Sheriff's Office for some services.

"Like doing a contract? [It's a] possibility," Hemann said. "Right now, New Hampton is kind of starting to go through a little bit what Nashua did. ... [Officers] start with an agency and then they go to — maybe if there's more opportunities whether that be their job duties, their wages or something like that — that's probably going to have to be something the city of New Hampton really starts looking strongly at if they are unable to fill vacancies and keep their existing people. Yeah, that could be a possibility down the road."

Asked Monday night about the comments, Nosbisch expressed frustration.

"It shouldn't have even been brought up today, and quite frankly, I don't know why it was because it's never been discussed," said the New Hampton police chief, who worked at the Sheriff's Office before being

named to his post in 2019.

Hemann told supervisors that one reason that Rash's first day with the county won't be until Oct. 31 is to help Nosbisch's department that will be two officers "short" when Rash leaves.

"I know this puts a bind on the city of New Hampton and Zach's police department there," Hemann said. "It just gives the city of New Hampton a little bit more notice ... as short as they are right now."

Hemann added that the Sheriff's Office is giving New Hampton the list of its applicants for the position Rash is taking so that Nosbisch "can reach out to those applicants."

On Monday night, though, Nosbisch said that "we've got two that I'm working on right now, possibly another" and that he was confident his department would be back at full strength soon.

.....

During Monday's county meeting, the board also approved "buying out" Rash's contract with the city of New Hampton, a deal that Rash made when he was hired by the city two years ago.

Under the terms of the contract, Rash agreed to pay a prorated portion of his training costs back to the city if he left the police department in less than four years.

Supervisors agreed Monday to pay the city \$6,505.13 and have Rash sign a two-year contract with the county. If he leaves before the contract expires, the new deputy will have to pay back a prorated portion of the money the county is paying the city.

Supervisors OKs budget amendment on a 4-1 vote

non-member cities \$100,000, but Kuhn said Monday he wasn't closing the door on the county donating some ARPA funds to either the two cities or to other county projects.

"In my opinion, if we don't spend it all and that's my goal," he said, "[then the funds] can be reallocated elsewhere."

Meanwhile, Breitbach on Monday said his vote against giving the two cities \$100,000 each wasn't necessarily because he was opposed to giving county funds to the cities; instead, he said he felt the numbers were pulled out of the air — pointing out that Alta Vista, a city of 227, would receive the same amount of ARPA money as Nashua, which has more than 1,500 residents.

During the public hearing, Supervisor Jake Hackman said he appreciated Cook's comments.

"I hope there is money left over for Nashua and Alta Vista," he said. "Those people work for the better of the citizens of this county. That's why I'm all for supporting those guys financially."

Fellow Supervisor Tim Zoll, who voted

with Hackman last month to provide ARPA funds to the two cities, agreed.

"I would just like to say I was hoping this board would find some kind way to bring Nashua along with us and Alta Vista, too," he said. "They are a part of our community."

But the two disagreed when it came to the budget amendment that includes an increase in spending of \$1.45 million from the previously certified budget as Hackman supported approving it while Zoll cast the lone dissenting vote.

Of that increase in spending, \$1.31 million will be directed to public safety and legal services — in other words, the new ambulance service.

But the budget amendment also includes high expenditures for a new truck and plow, as well as office furniture, and some increases in revenue, most notably the \$86,000 the Conservation Board recently received from Carbon Solutions to run a pipeline through the Bypass Basin area just to the west of New Hampton.

In other news from Monday's meeting:

- Board members spoke with two of the county's library directors — Nashua's Heather Hackman and New Hampton's

Carrie Becker — and informed them that the county libraries will need to return the "overpayment" the county gave county libraries earlier in the year.

Due to a clerical error, the libraries were overpaid by a combined \$1,800, and after consulting with its private auditor, supervisors learned that the best possible course of action was to have the libraries return the overpayment and requested the payments be received by Jan. 1.

- The board gave the county's head custodian, Dave Gorman, the go-ahead to explore hiring a full-time custodian, although board members said they wanted to see the "numbers" before giving Gorman the green light to add a full-time position to his staff.

Gorman told board members that both a part-time and a part-time PRN custodian will be leaving the county soon and that with the additional responsibilities his department will have at the Heritage, he felt it best that the county replace the two part-time positions with a full-timer.

- Along with County Engineer Roman Lensing, the board continued to explore "local funds" for a paving project on V-14.

Lensing presented the board with several options for the project that would involve repaving either two or three miles of a stretch of the road from Highway 18 to the north.

The original plan was for the project to be part of a project that would consist of repaving the road from Highway 18 to the city of Alta Vista near the county border.

But Lensing said if the county can come up with the local dollars to fund the the first two or three miles, that could be completed a year earlier than originally planned.

Grain program to benefit new park

Farmers who would like to donate some of their grain this fall to Kindness Square, an all-inclusive park that will be built at Runion Park can do so at a variety of places.

Five Star Coop locations in New Hampton, North Washington and Ionia, the Homeland Energy Solutions plant near Lawler and C.A.S.H. in Lawler are all accepting donations for the park.

Growers just need to let their grain scale office personnel know how much or what they want to donate and the funds will be placed in a fund designated for the park that New Hampton Parks and Recreation officials hope will be built and opened during the summer of 2023.

Sheriff's Office arrests Charles City man for alleged burglary

The Chickasaw County Sheriff's Office on Monday arrested a Charles City man and charged him with both third-degree burglary and third-degree attempted burglary.

Dispatchers received a call from a resident in the 400 block of Nashua's Brasher Street reporting "suspicious activity" in the area.

Deputies responded and arrested 18-year old Harley Ray Onken, age 18 of Charles City. Onken was transported to the Chickasaw County Jail in New Hampton, where he was being held until he makes his initial court appearance.

According to a Sheriff's Office press release, the case remains under investigation with more arrests and/or charges pending.

In the press release, officials reminded residents that if they see any suspicious activity, it is best to report it immediately so law enforcement can investigate.

Public Health gets back to normal

PUBLIC HELATH: FROM 1

but it not only protects you but it also protects your family, your friends and your community. Even if you get the flu, if you had the shot, the symptoms are going to be a lot less severe.”

Public Health has ordered almost 1,500 doses of flu vaccine, and Welter’s hope is that most, if not all, will be used.

Welter said “normalcy” has helped Public Health get back to more educational programming. In September, for example, her department was able to put a spotlight on Leukodystrophy Awareness Month, as well as Suicide Prevention Awareness Month.

“That’s part of our mission,” she said, “and obviously, COVID took so much of our time, we weren’t able to do as much as we wanted at times.”

Still, some things haven’t changed.

Just as they did during the height of the pandemic, Welter’s staff is continuing to provide both nursing and home care to a wide variety of residents throughout the county.

“That’s always been something we’ve emphasized,” she said. “We want to help people stay in their homes, recover in their homes and I’m really proud of the work our staff does to accomplish the goals.”

And as far as COVID is concerned, Welter will tell you it’s still here. She said 44 positive tests were reported in the county during September and admits that number is probably not a true gauge of how many residents had COVID during the month.

“With the in-home testing and the fact that a lot of people aren’t testing,” she said, “it’s not a true indication. Trust me, it’s still here.”

So as she did for what seemed like

infinite times during the pandemic, she again asked residents to be mindful of their symptoms.

“If you’re sick, stay home, please,” Welter said before smiling. “I know, I know, I said that a million times, didn’t I? But in all seriousness, I do think we learned some lessons with COVID and hopefully we’ll remember them as we move forward.”

In addition to last week’s initial flu shot clinic, Chickasaw County Public Health and Homecare Services also held clinics in Nashua and Ionia on Tuesday.

Future clinics include:

Monday: Lawler City Hall Community Room, 9 to 11 a.m., and Alta Vista Zion Lutheran Church, 1 to 3 p.m.

Tuesday, Oct. 18: Fredericksburg Municipal Hall, 9 to 11 a.m.

Ann Knutson/Chickasaw County Public Health and Homecare Services Tribune Editor Bob Fenske receives his flu shot from Public Health's Lisa Welter during a clinic held last Friday in New Hampton.

Wednesday, Oct. 26: Chickasaw County Community Services Building, 7 a.m. to 5 p.m.

Regular flu shots are \$40 while so-called “High Dose” and Flu Blok shots are \$65, but Public Health officials say most health insurance plans cover flu shots.

National Chiropractic Health & Physical Therapy Month

There are plenty of benefits when it comes to physical therapy and chiropractic care

October is National Chiropractic Care and Physical Therapy Month! At Massapequa Pain Management and Rehabilitation, we felt that it was especially important to discuss the role of physical therapy for hip and knee pain and chiropractic care for lower back pain. There are many advantages to incorporating these services for proper physical rehabilitation. Working with a trained physical therapist, for example, can help you achieve your short-term and long-term wellness goals. They offer a “hands-on” approach to give attention to parts of your body that may need extra care.

How Physical Therapy Can Help Your Hip and Knee Pain

A physical therapist will work with you to help recover from knee pain based on the cause of the pain. Over 50% of adults suffer from knee pain secondary to osteoarthritis.

Other causes are ligament tear, inflammation, infection, and overuse. A physical therapist will provide knee conditioning with exercise programs geared at the proper angles and positions to help you recover.

Prescribed activities can help you strengthen your weakened elements and help you “get back in the game.”

If you have hip pain, a physical therapist will work with you to increase your range of

motion and enhance your mobility. This will help keep you from developing severe comorbidities due to immobility such as blood clots, skin infection, and venous stasis ulcers.

Hip pain may be due to infection, bursitis, osteoarthritis, or nerve impingement.

A physical therapist can help you feel better by offering rehabilitation techniques such as functional mobility tests, gait eval-

uation, palpation, a range of motion exercises and strength measurements.

Over time, with the help of your physical therapist, these techniques will have you feel better and reduce the pain associated with your hip.

How Chiropractic Care Can Help with Your Lower Back Pain

A trained chiropractor will work with you by initially asking questions about your lifestyle, including diet, exercise, sleep habits, medications, past injuries, use of drugs or alcohol, and medical history.

The chiropractor will then complete a full physical examination, including tests that will measure your spinal mobility.

While there are many causes of lower back pain such as arthritis, spinal stenosis, disc herniation, and muscle sprain, a chiropractor can perform spinal manipulation which involves moving a joint of your spine and adjusting it in place. The chiropractor may also do other treatments such as soft tissue and muscle massage and spinal alignment to ensure proper recovery.

Working with your chiropractor through several sessions can help control and improve your back pain.

The Bible has our answers

God's word gives a new and healthy pattern for our thoughts

“The word of God is living and active” (Hebrews 4:12).

It is powerful to guide and direct us, to educate and edify us. Attend church regularly to hear God’s word. Reading God’s word, the Bible, regularly in your home. Memorize favorite verses. Our minds and souls need the instruction and guidance of God’s holy words.

Our minds get into unhealthy patterns of thought. We have an angry thought toward a co-worker or neighbor and we keep going over and over it. We have the temptation of lust, or jealousy, or coveting and it’s hard to stop thinking

about it. We have fears and worries we know are unreasonable, yet they keep filling our minds.

Unhealthy, faithless thoughts are like rain falling on the soil, eroding everything in their path.

One drop of rain falls onto the soil and runs downhill making a path in the dirt. The next drop finds an easier path to follow and actually makes the path bigger, easier for more drops to follow.

Likewise, sinful, godless thoughts erode our minds.

They make gullies that form a pattern of think-

ing, and more thoughts follow the same pattern.

God’s word gives a new and healthy pattern for our thoughts. “Follow the pattern of sound words” (2 Timothy 1:13).

Terraces and waterways across farmlands become a beneficial pattern to stop destructive erosion. So God’s word will direct your heart and mind in patterns of faith and righteousness.

Is your mind filled with worries? Open your Bible and read Psalm 5 or another of your favorite Psalms.

Are there impure thoughts or angry thoughts you can’t seem

Pastor Ron Koch serves St. Paul’s Lutheran Church in Fredericksburg, which worships each Sunday at 9 a.m.

to get out of your mind? Turn to the Gospels (Matthew, Mark, Luke and John) and hear the words of Jesus, letting him direct you to think and to believe. “Let the word of Christ dwell in you” (Colossians 3:16).

What Should Alzheimer’s Caregivers Know?

If you have a family member who has been diagnosed with Alzheimer’s disease, or is starting to show symptoms, you will face some real challenges. Navigating the Alzheimer’s experience involves a long journey, and there’s no easy answer for how you can cope with your emotions. But you can at least address some of the financial issues involved to help give yourself a greater sense of control. Here are some moves to consider:

- *Plan for care costs and identify insurance coverage.* The list of Alzheimer’s-related medical expenses is long and includes ongoing medical treatment, medical equipment, home safety modifications, prescription drugs and personal care supplies. As a caregiver, you’ll want to know the extent of your loved one’s health insurance: Medicare, supplemental policies, veteran’s benefits if applicable, and so on. One big question is how much coverage they might have for adult day care services, in-home care services and full-time residential care services, and other long-term care options. Long-term care is one of the largest health care costs not covered by Medicare, so you’ll want to determine if your loved one has a longterm care policy or another insurance policy with a long-term care rider.
- *Identify assets and debts.* You’ll need to know your family member’s financial position, both what they own — bank accounts, investments, property, etc. — and what they owe, such as credit card debt, a mortgage, lines of credit, and so on. This knowledge will be essential if you’re granted power of attorney to take over your loved one’s finances.
- *Look for tax breaks available to caregivers.* If you’re a caregiver, you may have to pay for some care costs out of pocket. Consequently, you could receive some tax credits and deductions. These benefits vary by state, so you’ll want to consult with your tax advisor to determine your eligibility.
- *Ensure necessary legal documents are in place.* As a caregiver, you may need to ensure some legal documents are in place, such as a durable power of attorney for finances, which lets you make financial decisions for your loved one with Alzheimer’s, and a durable power of attorney for health care, which lets you make health care and medical decisions on their behalf. It’s important to have these and other necessary documents drawn up before someone is diagnosed with Alzheimer’s or when they’re just starting to exhibit the earliest signs of the disease, so they can understand what documents they are signing. If you wait until they no longer have this cognitive ability, things will get much more challenging. You could apply to become a conservator, which grants decision-making abilities similar to a power of attorney, but the conservatorship process takes time and could involve court procedures. To avoid this potential difficulty, work with your tax and legal professionals to ensure all the relevant legal documents are in-force and updated.

MAKING SENSE OF INVESTING

Finally, you don’t have to go it alone. To help deal with the emotional challenges of caregiving, you can find local Alzheimer’s support groups that can offer practical suggestions for coping. As for the financial issues, consider working with a financial professional who can look at your family’s overall situation and recommend appropriate actions.

A diagnosis of Alzheimer’s will change the lives of everyone in your family. But as a caregiver, you can help ease the burden.

Chickasaw County Conservation Board to hold Halloween Hike

Friends of the Forest is the name of this year’s annual Halloween Hike that will be held next week. The annual Chickasaw County Conservation Board event will be held on Monday, Oct. 11 at the Twin Ponds Nature Center that is located to the east of Ionia. For those of you that aren’t familiar with the hike, this is an educational hike aimed at younger kids, NOT a SCARY hike. The trail will have characters along the trail teaching about their lives in the natural world. The hikes will start at 6, 6:15, 6:30 and 6:45 p.m.. Each hike is limited to 25 people. Free will donations will be accepted at the door. To register, call the Conservation Board office at 641-394-4714. The hikes tend to “fill up” fast so those interested in them should call as soon as possible.

Forecast looks good for farmers to harvest

HARVEST: FROM 1

to 7 percent. Basol said the farmers he has talked to are reporting good to excellent soybean yields and he added that he expects the news to be just as good for corn.

“I’ve talked to some guys who say they’re getting 70 bushels of soybeans [per acre] in spots,” the agronomist said, “and from

everything we’re seeing, we’re going to have a great crop of corn, too. Now, it’s just a matter of bringing it in.”

He said he was relatively unconcerned about the forecast of widespread frost Friday night into Saturday morning.

“We’re far enough along, I think, or at least most of the crop is,” he said.

And while commodity prices are excellent right now, Basol said continued dry

weather would be helpful to area crop growers.

“Prices are good, no doubt about it, but inputs have been high, too,” he said, “so if we don’t have to turn the dryers on, that would be very helpful for farmers.”

The good news is that the short-term forecast looks pretty dry; in fact, there is little, if any, precipitation in the forecast through early next week.

Supervisors set wages for county-owned ambulance service

AMBULANCE: FROM 1

Edson, who told board members that the county needs to begin advertising for both full-time and so-called PRN positions.

Supervisors last month agreed to hire five full-time paramedics, EMTs or registered nurses, and on Monday, they agreed to advertise for those positions in all three newspapers in the county, on Facebook and several statewide job boards.

Edson also told county leaders that a planned meeting with current EMS personnel was

being pushed back a week — from this Tuesday to Oct. 11 — because of scheduling conflicts. That meeting will begin at 5:30 p.m. and be held at the Chickasaw Event Center.

.....

The job offer to a potential EMS director came four days after the Board of Supervisors met with members of the EMS Advisory Council and came up with a pay scale for full-time and part-time employees for the service.

Supervisors agreed to pay EMTs between \$15 and \$20 an hour, advanced EMTs between

\$16 and \$21 per hour and paramedics and RNs between \$22 and \$27 per hour.

They also agreed the goal should be to hire the equivalent of five full-time employees, which will not include the service’s director and that full-time employees would work what EMS Advisory Committee members called an “A-B-C schedule,” consisting of 24 hours of duty time, followed by 48 hours of off-duty time. Full-time staff will work an average of 56 hours per week, with overtime paid for anything above 40 hours, which means

a paramedic at the high end of the pay scale could take home \$86,000 a year.

“That’s pretty standard in our industry,” said EMS Advisory Committee member Joel Knutson said. “It’s what we, as paramedics and EMTs, expect.”

The lone recommendation supervisors didn’t completely follow was the pay for those serving on-call hours as they lowered those pay rates by a \$1 across the board — to \$4.75 per hour for paramedics and RNs, \$4.25 per hour for advanced EMTs, \$4 for EMTs and \$3 for drivers.

June Elaine Gilbert, 92

June Elaine Gilbert, age 92 of Waverly, died peacefully surrounded by family Monday, Sept. 26, 2022, at Bartels Retirement Community in Waverly.

A Mass of Christian Burial was held at 11 a.m. Friday, Sept. 30, 2022, at St. Michael's Catholic Church in Nashua with the Rev. Tom Heathershaw celebrating the Mass.

Interment followed at St. Michael's Catholic Cemetery in Nashua with June's seven sons serving as pallbearers.

Friends greeted the family from 4 to 7 p.m. on Thursday, Sept. 29, 2022, at Hugeback-Johnson Funeral Home & Crematory/Olson Chapel in Nashua, where there was a 3:15 p.m. Parish Scripture Service presided by Gene Saienga. Visitation continued from 9:30 to 10:30 a.m., at the funeral home, prior to the mass.

Online condolences for the Gilbert family may be left at hugebackfuneralhome.com.

June Elaine Gilbert was born on June 9, 1930, to Earl and Francis (Everhart) Townsend in Charles City. Months before, the county had plunged into the Great Depression, which shaped much of her life.

She grew up in Charles City, where she attended school, played intramural basketball, and was a member of Charles City High School's Class of 1948. She loved roller skating and did so competitively. She rarely missed a day at the rink, where she skated for free because she helped young children get their skates on.

After graduating from high school, June worked at the Canton Cafe in Charles City, and located just above the eatery was a dance hall. One night, a young man named Norbert Gilbert and his buddies went to a dance and stopped in at the Canton Cafe. A beautiful love story was born that evening as June and Norb began dating, fell in love, and exchanged vows on April 25, 1950, at Immaculate Conception Catholic Church in Charles City.

The couple began married life on a farm near New Hampton, moved to the Plainfield area five years later, and then moved to the Horton area in 1980. They raised 13 children, with a mother who had the knack for making everyone — her children, their friends, or even complete strangers — feel special.

June and Norb were meant for each other; their marriage lasted 70 years and one day, and Norb always said that his wife was his life. They worked side-by-side on the farm, where June not only managed the household but enjoyed getting outside and doing chores.

She knew how to have fun, too, and loved playing cards — be it 500, Euchre, Up and Down the River, Canasta, or any card game really. June was the first one up in the house and often began her day with a game of solitaire. She told her children and repeated to her grandchildren that "there are no friends in card games." In other words, she played to win!

June's desserts — be it her angel food cake with strawberries, cherry pies, or lemon pies, just to name a few — were legendary, and anyone with a sweet tooth who spent time at the Gilbert's will tell you June was the best.

June Gilbert

Her family grew to include 33 grandchildren, 37 great-grandchildren, and four great-great-grandchildren, and she loved them all. When the Gilberts moved off the farm, she attended numerous sporting events, always wearing an orange Plainfield Pirates coat or t-shirt, and let's put it this way: June was a loud and proud fan!

She had a deep faith and was an active member of the St. Michael's Catholic Church, where she was a member of the St. Elizabeth Circle and loved helping out in the church's food stand during the Big 4 Fair.

June also cared for children from several families and any child who spent time with June was quick to call her "Grandma June".

Growing up in a time of hardship, June developed a tremendous work ethic that she carried with her throughout her life. Her children will tell you that mom was the "queen of pinching pennies" and that only God knows how many coupons June clipped and used to help save money.

When June put her mind to anything, she would complete the task. Even as she approached 70, she would ride her single-speed bike from Horton to Nashua and haul home two gallons of milk on the way home while collecting cans from the ditches.

There are so many stories we can share about this amazing woman, but over the course of her 92 years, she encountered thousands of people, and she made each and every one of them feel special. That, our friends, is a life well-lived.

June is survived by seven sons, Michael (Geri) Gilbert of Independence, Ohio, Randy (Jan) Gilbert of Floyd, Don (Barb) Gilbert of Waverly, Kevin (Kendra) Gilbert of Ionia, Wayne (Joy) Gilbert of Tripoli, Duane (Elda) Gilbert of Clarksville, and Rich (Rhonda) Gilbert of Tripoli; five daughters, Peg (Gene) Saienga of Round Rock, Texas, Barb Albrecht of Oregon, Wisconsin, LeAnne Gilbert (Duane Baker) of Vanceale, Mississippi, Lori (Steve) Gee of Independence, and Brenda Gilbert of Brookfield, Wisconsin; Amy Platte's husband, John Platte; 33 grandchildren, 37 great-grandchildren, four great-great-grandchildren; and one brother-in-law, Harry (Pat) Gilbert of New Hampton.

She was preceded in death by her parents; husband Norbert in 2020; one daughter, Amy Platte; daughter's-in-law Mary Gilbert, Beva Gilbert; and siblings, Byron Townsend, Dean Townsend, Bill Townsend, Dick Townsend, Bob Townsend, and Kay Townsend.

Kenneth A. Schneberger, 95

Kenneth A. Schneberger, age 95 of New Hampton, passed away on Wednesday, Sept. 28, 2022, at New Hampton Nursing and Rehab.

A Mass of Christian Burial was held at 10:30 a.m. on Tuesday, Oct. 4, 2022, at Holy Family Parish in New Hampton with Father Jim Goerend celebrating.

Military rites were provided by the Alta Vista VFW. Burial followed at St. Mary's Cemetery in New Hampton.

Visitation was held from 4 to 7 p.m. on Monday, Oct. 3, 2022, at Conway-Markham Funeral Home and continued at the church one hour prior to the funeral mass on Tuesday.

Online condolences may be left at www.conway-markham-fh.com. Memorials may be directed to the family.

Kenneth "Kenny" Arnold was born July 27, 1927, the son of Hubert and Albina (Huinker) Schneberger on the family farm in Festina.

He attended school at the Catholic grade school and graduated from Calmar High School in 1945.

After completing his education, Kenny enlisted in the United States Army. He proudly served his country as a paratrooper in the 82nd Airborne and was a part of the German post war occupation. Kenny received his honorable discharge in 1946.

Upon his return home, Kenny began farming with his family.

Ken Schneberger

While attending a dance at Spillville, Kenny met the love of his life, Ethel Mae Huber. The couple was united in marriage on Dec. 28, 1950, at Our Lady of Mount Carmel in Lawler. The couple made their home first in Festina before they moved to Jerico, Alta Vista and settling in New Hampton later in life. Kenny became disabled after brain surgery in 1953. He and Ethel Mae welcomed four children, Diann, June, Lynn and John.

Kenny enjoyed hunting, fishing, playing pool and euchre. But he was passionate about the game of baseball. He cheered mostly for the Chicago Cubs, but truly appreciated good playing by any team. In his youth, Kenny played ball with the Festina baseball team which was made up of his brothers, extended family and close friends.

Effie J. Lienau, 93

Effie J. Lienau, age 93 of Fredericksburg, died Tuesday, Sept. 27, 2022, at the Whispering Willows Assisted Living in Fredericksburg.

Funeral services were held at 11 a.m. Wednesday, Oct. 5, 2022, at St. Paul's Lutheran Church in Fredericksburg with the Rev. Ronnie Koch officiating.

Interment was held at Rose Hill Cemetery, Fredericksburg with David Farrell, Matthew Farrell, Seth Meyer, Caleb Meyer, Nile Lienau, Noah Lienau, Isaiah Lienau, Ian Lienau, Tanner Hageman, and Hunter Lienau serving as pallbearers. Honorary pallbearers were the Fredericksburg AM VET Auxiliary.

Friends greeted the family from 4 to 7 p.m. on Tuesday, Oct. 4, 2022, at Hugeback-Johnson Funeral Home & Crematory in Fredericksburg. Visitation continued an hour prior to the service at the church on Wednesday.

Online condolences for the Lienau family may be left at hugebackfunerahome.com.

Effie was born on May 8, 1929, to George and Gertrude (Schmidt) Moorman in the small northeastern Kansas town of Washington. As a young girl, her family moved to the village of Steele City in southern Nebraska, where she attended school and graduated with the Steele City High School Class of 1947.

After graduation, she attended a business school in Omaha, Nebraska, where the sister of Raymond Lienau was also a student. They became fast friends and after finishing their schooling, they worked together at Rath Packing in Waterloo, where Effie was a switchboard operator.

One day, she joined Raymond's sister on a trip home, and the rest is history as a spark was lit between Effie and Ray. They began dating, fell in love and were married on Feb. 9, 1952, at Immanuel Lutheran Church in Waterloo.

Ray was serving in the U.S. Army, and after the wedding, he was sent to Korea while Effie remained at Fort Riley, Kansas, where he completed his tour after being wounded during the Korean War.

The couple then moved to the Lienau family farm northeast of Fredericksburg, where they welcomed and raised their five children — Suzan, Nancy, Ronald, Sandra and Robert — who will always remember Mom's huge garden. They spent hours in that plot, weeding and tending to plants, and more hours canning and freezing the vegetables.

Effie and Ray loved to play cards with their "neighborhood group," which gathered at least once a month to play 500 and Euchre and catch up with each other.

In 1972, Effie took a job at Sara Lee in New Hampton, where she worked on the cake line and in the sanitation department for 25 years

Effie Lienau

until she retired. Her kids also remember that Mom one year won the prize for selling the most subscriptions for the New Hampton Tribune, but then again, she was so social that it was hard to say no to Effie.

When her husband passed away in 1997, she persevered and remained on the farm for almost another decade before moving into Fredericksburg. Effie was a social butterfly, and ask anyone in Fredericksburg and they'll remember that Effie and her friends were always together. If you saw one, the other three or four weren't far behind!

She adored her 15 grandchildren and seven great-grandchildren, both the ones who were near and those who were far away. Effie made a couple of trips to Germany to visit Suzan's family when her oldest daughter was stationed overseas during her Army career.

Effie was an active member of St. Paul's Lutheran Church in Fredericksburg and the AMVETS Auxillary.

The world changed a lot during Effie's 93-year journey here, but there's little doubt that she made it a better place and will be dearly missed by those who loved her.

Effie is survived by two sons, Ronald (Sue) Lienau of Ossian, and Robert Lienau of Rochester, Minnesota; three daughters, Suzan (Thomas) Farrell of Hawkeye, Nancy (Stewart) Meyer of Indianola, and Sandy Hageman of Calmar; 15 grandchildren; seven great-grandchildren; and a sister, Eva Renz of Beatrice, Nebraska.

She was preceded in death by her parents; her husband, Raymond in 1997; one son-in-law, Rod Hageman; and one brother-in-law, Darrell Renz; three brothers and three sisters.

Donald E. Caspersen, 80

Donald E. Caspersen, age 80 of New Hampton, passed away on Sunday, Oct. 2, 2022, at his home surrounded by his family.

A Mass of Christian Burial will be held at 10:30 a.m. on Thursday, Oct. 6, 2022 at Holy Family Parish in New Hampton with Father Jim Goerend celebrating.

Burial will be held at St. Mary's Catholic Cemetery in New Hampton.

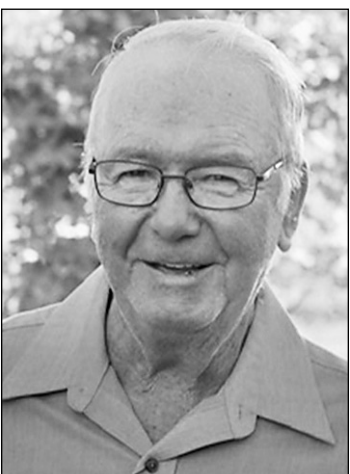

Visitation was held from 4 to 7 p.m. on Wednesday, Oct. 5, 2022, at Conway-Markham Funeral Home in New Hampton and will continue at the church one hour prior to the funeral mass on Thursday.

Online condolences may be left at www.conway-markham-fh.com. In lieu of flowers memorials may be directed to St. Croix Hospice.

Donald "Don" was born June 11, 1942, the son of Emil and Ellen (Paulus) Caspersen in Rockford.

As a child, the Caspersen family made their home in rural New Hampton where Don attended school at the Little Brick School House before graduating from New Hampton High School.

After completing his education, Don enlisted in the Army National Guard where he proudly served his country until his honorable discharge in 1969. He also began his 20-year career with Oliver White in

Don Caspersen

Charles City.

On Sept. 9, 1967, Don was united in marriage to Sharon Schmitz at St. Joseph's Catholic Church in New Hampton. The couple welcomed their two children, Paul and Nancy.

Side by side, Don and Sharon farmed until 2012, but remained on the farm. In his later years, Don worked for Phillip's Modern Ag until his retirement.

Don enjoyed fishing, spending time with his grandchildren and was an antique tractor enthusiast.

Those left to cherish Don's memories are his wife, Sharon of New Hampton; his children, Paul (Dana) Caspersen of Gainesville, Florida, and Nancy (Cody) Moorman of New Hampton; his grandchildren, Gabe, Logan, Tucker, Garner and Wyatt; his sister, Mareatta Utley of New Hampton; and numerous nieces, nephews and extended family.

He was preceded in death by his parents and his brother, Irvin.

Kenneth ‘Ken’ Rindels, 85

Kenneth “Ken” Rindels, age 85 of Charles City, passed away Thursday, Aug. 11, 2022, at the Iowa City VA Health Care System in Iowa City after a three-year battle with ALS.

A funeral Mass for Ken Rindels was held at 11 a.m. on Friday, Aug. 19, 2022, at Immaculate Conception Catholic Church in Charles City. The funeral Mass was livestreamed on the Hauser Weishaar Funeral Home Facebook Page.

Burial followed at Calvary Cemetery in Charles City.

Visitation was held from 5 to 7 p.m. on Thursday, Aug. 18, 2022, at Hauser Weishaar Funeral Home. A rosary was prayed at 7 p.m. and led by the Knights of Columbus. Visitation continued one hour before the funeral Mass at the church on Friday.

Kenneth Dale Rindels was born March 24, 1937, in Aplington to Ede and Carrie (Haan) Rindels.

In 1949, the family moved to Shell Rock, where Ken graduated from Shell Rock High School.

He was drafted into the United States Army on July 7, 1960 and attained the rank of Specialist E-5 and was honorably discharged the end of June 1962.

After a few years of raucous living and spending time with motorcycle friends, he met Mary E. Scott, a very pretty and nice girl. They were married on May 6, 1967. To this union two children — daughter Kristine and son Kurtis — were born.

Ken had several different jobs (DeWitt Lumber, John Deere, Olivers, Sears, owned a bait and tackle shop, and Theisen’s) and was a jack-of-all-trades. He could make or repair most anything.

Ken loved living in the country and purchased an acreage where they lived for 41 years before moving to town. He enjoyed gardening, growing

Ken Rindels

flowers, and feeding song birds. He liked trapping and hunting, but his favorite hobby was fishing. He fished in twenty-six different lakes in northern Minnesota and Wisconsin, as well as lakes and rivers in Iowa.

Mary and Ken enjoyed traveling. Ken had been in seven countries and most of the “lower 48” states. He loved spending time with his family.

He was a member of Immaculate Conception Catholic Church, Knights of Columbus, Wild Turkey Federation, National Wild Life Federation, and past member of the Ostfriesland Genealogical Society.

Ken is survived by his wife of 55 years, Mary; daughter, Kristine (Trinity); son, Kurtis (Shannon); grandson, Devan; sister, Linda Muller; sister-in-law, Lila Scott; brothers-in-law, Richard Scott, Daniel Scott (Jean), Thomas Scott (Mike); and many nieces, nephews, great nieces and nephews, and great-great nieces and nephews.

He was preceded in death by his parents; one sister-in-law; one brother-in-law; and sixteen aunts and uncles.

The family suggests memorials to be donated in memory of Ken to The ALS Association Iowa Chapter or National Wildlife Federation.

Producers celebrating Pork Month with pork bundle giveaway

The Chickasaw County Pork Producers are celebrating this month — designated as Pork Month — with a giveaway of \$30 pork bundles.

Residents can register at the Elma Locker and Grocery, Fareway in New Hampton, the Fredericksburg Food Center, the Ionia Locker, Miller Custom Processing and Polashek’s Locker Service.

Pork producers in the county say that one lucky winner will be drawn from each location each week during the month.

Blood drive set for Oct. 25

LifeServe Blood Center will hold its monthly blood drive in New Hampton on Tuesday, Oct. 25.

The drive will be held from noon to 5:30 p.m. at the New Hampton Community Center, and appointments are required by calling 800-287-4903, texting LIFESERVE to 999-777 or by going online to lifeservebloodcenter.org.

LifeServe provides blood to hospitals, including MercyOne New Hampton Medical Center, in three states — Iowa, South Dakota and Nebraska.

Mobile Food Bank to distribute Oct. 20

The Northeast Iowa Mobile Food Bank will make its monthly stop in Chickasaw County on Thursday, Oct. 20.

Food will be distributed to food-insecure county residents from 4 to 5:30 p.m. at Trinity Lutheran Church in New Hampton.

Those who would like to volunteer to help with the distribution should report to the church that is located at 221 S. Water Ave. at 3:30 p.m.

ELECTRIC POWER LINES AND GRAIN BINS DON'T MIX!

Please contact your local electric cooperative/utility if you plan to build a grain bin in the vicinity of an electric distribution line or electric transmission line.

Dairyland Power Cooperative owns and operates transmission lines in Northeastern Iowa, which provide electrical energy to local rural electric cooperatives and municipalities. Those transmission lines are operated at voltages that greatly exceed local distribution and service lines that may be located on your property. Dairyland will provide assistance in planning the placement of the grain bin near our transmission line to provide a safe environment for everyone working and living around grain bins.

The State of Iowa requires specific clearances for electric lines around grain bins, with different standards for those filled by portable and permanent augers, conveyors and elevators. The drawings show specific clearances required for each scenario.

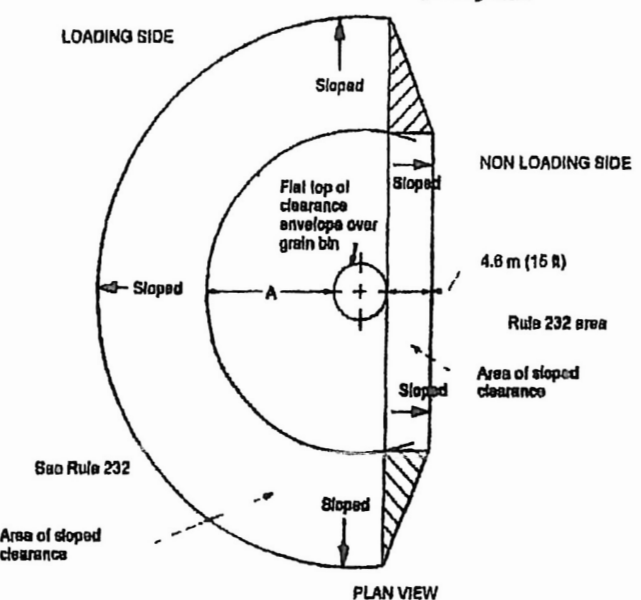

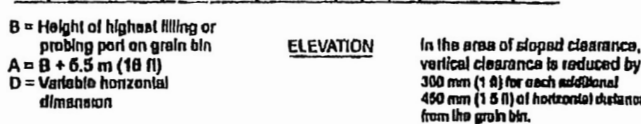

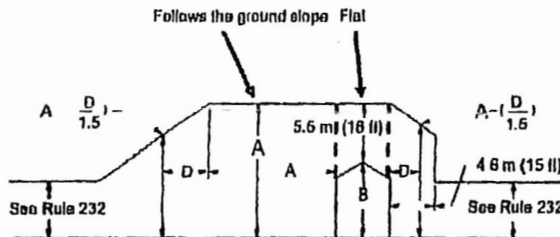

Figure 234-4(b)—Clearance envelope for grain bins filled by portable augers, conveyors, or elevators

According to the Iowa Electric Safety Code found in Iowa Administrative Code Chapter 199 - 25.2(3)b., your local electric utility may refuse to provide electric service to any grain bin built near an existing electric line which does not provide the clearances required by The American National Standards Institutes (ANSI)C2-2017 "National Electrical Safety Code," Rule 234F. This Paragraph "b" shall apply only to grain bins loaded by portable augers, conveyors or elevators built after September 9, 1992, or to grain bins loaded by permanently installed augers, conveyors or elevator systems installed after December 24, 1997. (As adopted by the Iowa Utilities Board)

Dairyland Power Cooperative is required by the Iowa Utilities Board to provide this annual notice to farmers, farm lenders, grain bin merchants, and city and county zoning officials. If you have any questions concerning clearance regulations, please call our Real Estate and Right of Way Department, Monday through Friday, from 8 am to 4 pm, at 608-788-4000. You may also write to us at the following address: DAIRYLAND POWER COOPERATIVE, Attn: Real Estate Dept., 3200 East Avenue South, P.O. Box 817, La Crosse, WI 54602-0817.

We can stop HIV, Iowa.

A person living with HIV can take as little as one pill a day to help them achieve what's called an **undetectable viral load.**

When a person's viral load is **undetectable**, it protects their overall health. It also prevents HIV from passing to sexual partners!

Undetectable = Untransmittable

News Bits From Our Past ... compiled by the Trib’s Terri Josephson

Week of Oct. 2 1947 (75 years ago)
• John E. Feuling, son of the late E.J. and Mrs. Feuling, this week assumed the position of publisher of the New Hampton Tribune for the E. J. Feuling estate.
Mr. Feuling was affiliated with his father as associate publisher from 1938 to July, 1941.
• John and Henry Hauth, proprietors of the Hauth Drug store here this week announced the purchase of McDonald Drug Company in New Hampton.
Possession was to be effective on Oct. 1. Both establishments in New Hampton will be retained in their present capacity. Henry Hauth will continue the operation of the present store and John Hauth will operate the McDonald store.
1972 (50 years ago)
• “Speak up, Consumer!” is the message of the Consumer-Business Communications Program now underway in the New Hampton area under the sponsorship of the New Hampton Chamber and Iowa State University Extension Service.
Wayne Moetsch, president of the New Hampton Chamber said, “Businessmen are interested in all kinds of consumer opinions, and they want to know what people like as well as what they don’t like.”
New Hampton merchants displaying the promotion banners are urging their customers to make their views known to businessmen.
• By a decisive 76 percent margin, employees of the Kitchens of Sara Lee plant in New Hampton voted not to ask for union representation at this time.
A total of 329 ballots were cast, according to the spokesman from the Region 18 office of National Labor Relations board.

Of that total, 243 voted for no union representation, 39 voted for representation by Teamsters Local 84 of Waterloo and 38 voted for the Bakery and Confectionary Workers (ALF-CIO).
1997 (25 years ago)
• Organizers for Motorloway 1997 released the names of 170 drivers and vehicles that will participate in the state-wide event. A full complement of pre-1975 vehicles are expected to make the thousand mile tour Oct. 3-10.
The tour will take a lunch break in New Hampton on Tuesday, Oct. 7, arriving at 11 a.m. at Mikkelson Park. “The Time Traveler,” a display of early vehicle heritage, has been prepared by the State Historical Society of Iowa. The display will be open at all lunch and evening stops. Partnership for a Drug-Free Iowa is the designated charity and the riding partner.
• The New Hampton varsity football team was a 21-0 shutout winner at Oelwein Friday night. The win gives the Chickasaws a 2-2 overall record and a 1-1 District 3 record.
The win represented the team’s most well-played game to date, according to NHHS head coach Scott Frerichs.
Carew Kalishek completed 12 of 22 passes for one touchdown and 154 yards, throwing to seven receivers. Casey Tierney led the New Hampton rushing with 111 yards and also the team’s leading tackler with thirteen tackle points.
Jason Reicks was the Big Red’s number two gainer with 77 yards on seventeen rushing attempts. Eight different athletes carried the ball for the Chickasaws.
2012 (10 years ago)
• Former Chickasaw volleyball standout Megan Lehman will be honored during the University of Northern Iowa Oct. 13 clash with Southern Illinois. A senior this

year, Lehman is an outside hitter for the Panthers.
In 2011, she started all 25 matches and played all 125 sets. She ranked third on the team with 319 kills and was fourth on the squad in total blocks at 72. She is a leader again this year for a very successful team under head coach Bobbi Peterson. UNI is currently 5-0 in the Missouri Valley Conference and holds first place.
• The Blue Iris is back bigger and better than ever after a devastating fire last year completely destroyed the business. In addition to the regular gift items, plants, flowers and wines, the store now has added kitchen facilities and serves noon lunches.
New owner Julie Winter-Havel is embarking on a new endeavor. She has leased the former CarQuest location at 15 South Walnut Avenue, where she will open a new clothing store named “Bluetique.” The store will specialize in quality well-known lines.
2017 (5 years ago)
• The members of the TRIBE Trail committee hopes to have bicycles on the trail before the first snow. It is imperative that the work on Phase 1 of the trail is completed soon.
That’s because some of the grant money to connect the connecting trails in Mikkelson Park and the west-side Industrial Park is contingent on a fall completion day. Excavation work for the first part of the trail has been done.
• The Chickasaw County Board of Supervisors accepted the resignation of Chickasaw County Attorney Pat Wegman at the weekly meeting, then appointed Jennifer Schwickerath to take Wegman’s place for the remainder of Wegman’s term.
Wegman was recently appointed a district court associate judge for District 1.

4-H celebrates ‘Opportunity4All’ during its week

Throughout the month of September, the anticipation was building for National 4-H Week, during which millions of youth, parents, volunteers, and alumni across the country celebrate everything 4-H.

And now that it's here, Chickasaw County 4-H members are observing National 4-H Week by showcasing the incredible experiences that 4-H offers young people, and will highlight the remarkable 4-H youth in our community who work each day to make a positive impact on those around them.

The theme of this year's National 4-H Week is "Opportunity4All."

The positive environment provided by 4-H mentors ensures that kids in every county and parish in the country — from urban neighborhoods to suburban schoolyards to rural farming communities — are encouraged to take on proactive leadership roles and are empowered with the skills to lead in life and career.

The week started with a bowling party at Bowlaway Lanes in New Hampton on Sunday, and all the games and shoe rental were free for all youth as long as they come with at least 4-Her.

Monday our county wide scavenger hunt began and the individual or families that place in the "top five" will receive a prize from the ones we have in our office. Check our Facebook Page to find the link to participate.

Tuesday our staff hid 4-H Clovers in the towns of Alta Vista, Fredericksburg, Lawler, Nashua and New Hampton, and those that find a clover can return it to the office to receive a prize.

Wednesday Wear Your 4-H Shirt (or green shirt) to School Day.

Today is be Throwback Thursday; we will be posting photos of past 4-H Alumni of Chickasaw County on our Facebook Page. Comment on who the person is and your name will be put in a drawing.

We will select two individuals at random and they will get a special Chickasaw County Prize.

Friday come stop by the Chickasaw County ISU Extension's new office location — 506 West Milwaukee St. in New Hampton — and pick up a Free 4-H Cookie.

In Chickasaw County, more than 200 youth and 30 volunteers from the community are involved in 4H.

For over 100 years, 4-H has inspired families, shaped careers, and impacted communities.

For more information on the Iowa 4-H Youth Development program, please contact your Chickasaw ISU Extension and Outreach office or visit the Iowa 4-H website at www.extension.iastate.edu/4h.

Chickasaw girls put a trio of runners in top-five at Cresco

NH GIRLS XC: FROM 18

“Two summers ago, my mom simply just said, ‘Campbelle what if you made it to state?’ That stuck with me, and this summer I was just in a zone. Every morning my mom and I would get up. She would ride bike next to me while I ran and that is probably what motivated me the most.”

It has been a remarkable turnaround. Just ask New Hampton coach Jamie Ohrt.

“I’ve been around this sport for a long time,” she said, “and Campbelle’s unique. I’ve never seen someone make this much progress in two short years. I mean, I look at that time from Cresco two years ago and look at what she ran on Saturday, and it just blows me away.”

Kolbet, who is ranked 11th in the latest Class 2A individual runners, was bested Saturday only by fourth-ranked Hillary Trainor, who won the meet in a time of 19:30.26, to lead Summer-Fredericksburg to the team title. The 13th-ranked Cougars finished with 52 points to best the 15th-rated Chickasaws by a mere two points.

And Kolbet is far from the only star on New Hampton’s resurgent girls team as sophomore Natalie Nosbisch, a returning state qualifier, finished fourth Saturday while freshman Tegan Dungey was fifth.

The strong showing at Crestwood came four days after the Chickasaws finished fifth in the highly-competitive 24-team Jesup Invitational, where Kolbet finished third in a time of 19:34.5 while Nosbisch put together a career-best time of 20:06.5 to take 10th.

“Our girls have come such a long way this year,” Ohrt said, “and it’s been such a blast coaching them.”

And it’s been a blast for Kolbet, too, and not just because of the success both she and her

team has experienced.

“We’re all like a family,” she said. “Having girls like Natalie and Tegan, that pushes me a lot, but we also have a lot of fun together, too.”

And now comes the most important part of the season as New Hampton hosts its home meet today (Thursday) at Plum Creek Golf Course in Fredericksburg, where the Chickasaws will also play host to the Northeast Iowa Conference meet on Tuesday.

And then it’s off to the Class 2A state qualifying meet on Thursday, Oct. 20, and asked if she was excited, nervous or both, Kolbet’s answer came quickly.

“I’m very excited,” she said, “and I really mean that. I know with our group, we’re going to have fun and we’re going to give it everything we have and see what happens.”

NH BOYS XC: FROM 18

Abdiaziz Ibrahim of Postville by almost seven seconds. “That course is not fun. There’s mostly hills all over the courses and it feels like you’re running uphill all the time. It was a smaller race so I just decided let’s see what it’s like to get out fast.”

And his coach applauded the move.

“Look, early to the middle of the season, it’s OK to experimentation,” said Jamie Ohrt, whose team finished the meet with 28 points to beat runner-up Crestwood by 33 points for the team title. “If it doesn’t work, OK, you don’t medal in one race. So what, right? I think Peyton learned a lot by just trying different. It’s OK to be uncomfortable. That’s what you want in cross country. That’s how you get better.”

And the Chickasaws definitely got better on Saturday. Four days after running in a huge meet at Jesup, where New Hampton finished seventh in a 24-team field, the Chickasaws, as their coach put it, “ran their guts out.”

New Hampton placed five runners in the top 10 as Jack Shawver finished fifth, Treyce Orr took sixth, Cam McMorris claimed seventh and Braiden Schaufenbuel came in ninth, and although only the latter ran a personal best, Ohrt didn’t care.

“It’s probably the second toughest course we run all year, right behind the one for the Luther meet,” she said, “but I think our guys stepped up and accepted the challenge. They knew they had a chance to win this meet, and they ran with a lot of confidence.”

Anderson led the charge, staying with the lead pack for much of the race and then pulling away from Ibrahim and Crestwood’s Dominic Bigalk to claim his first-ever win.

“It feels good definitely,” said the senior who was a latecomer to the sport, not going out for it until his junior year. “I know people think it sounds crazy, but even though you’re running 3-point-whatever miles, it’s a lot of fun and our group is really close, too.”

But they also have big goals as they head into their “final part” of the season. New Hampton hosts its home invitational at Plum Creek Golf Course in Fredericksburg this afternoon (Thursday) and then returns to

Fredericksburg as the host of the Northeast Iowa Conference meet next Tuesday.

The biggest meet, though, will come on Thursday, Oct. 20, when New Hampton heads to a site to be determined for the Class 2A state qualifying meet.

A year ago, Anderson earned a trip to the state meet as an individual, and as much as he would like to repeat that accomplishment, he and his teammates have bigger goals in 2022.

“It would be sweet to go as a team,” he said. “We barely missed last year, and I’m not going to lie, that sucked. It would be a blast to take seven guys there.”

Ohrt agreed and added that she likes the path her team is navigating.

“I can go up and down the lineup with these guys,” she said. “Jack was talking about how he wanted an 18:30 [Saturday] and I said, ‘Nah, how about an 18:12?’ Well, he ran an 18:15 so I win. And all our guys ran really well at Cresco. We have to take this meet and use it as momentum for the big ones coming up.”

Trojans make long haul to Goose Lake

By KELLY TERPSTRA

Shelbie Balk and her Turkey Valley Trojans aren’t shy about jumping in the bus for the start of a weekend trip down south.

This destination wasn’t part of a tropical vacation, but a chance for the Trojan spikers to continue their improvement at yet another Saturday tournament.

Once school got out Friday, the Trojans did just that as TV made the long, two-hour-and-45 minute trip to Goose Lake to take part in the Northeast Invite.

The jaunt that almost eclipsed 160 miles one way was Turkey Valley’s fourth weekend tournament in a row and they’re not done yet. TV will compete in the Riceville Tournament this weekend. Balk said there was a chance to get in another tourney the following week on Saturday, Oct. 15, but she decided against joining that field.

TV beat the host Rebels from Northeast by scores of 21-13, 16-21 and 18-16. Prince of Peace turned back the Trojans, 21-11 and 21-15, while Durant bested TV, 21-18, 21-15.

Other teams in attendance at the invite were Calamus-Wheatland, Camanche and Maquoketa.

Maici Weber, who is a freshman star on Balk’s varsity roster at her rightside/setter position, talked about last Saturday’s competition and overnight stop.

“It really pushes us,” said Weber. “We

get to see a whole different level of competition at the different tournaments. We get to go up against some of the best teams I’ll bet we’ll see all year.”

Weber leads TV in assists (161) and is third on the team in kills (47). The leader in kills (84) on the team – junior Adriana Tiedt – talked about what Weber brings to the court and what she had to do to get accustomed to her new teammates’ style of play. Tiedt transferred from Sumner-Fredericksburg last year.

“Maici has done really good coming in as a freshman and getting to know all the hitters and adjusting to anything,” said Tiedt. “She does a really good job of digging every ball that she can.”

TV (9-15), 3-1 took on Clayton Ridge at home last week Thursday and had a chance to keep its conference record unblemished, but the Eagles had other ideas.

CR stopped TV, 25-22, 23-25, 26-24 and 25-21.

Tiedt led the way with 13 kills and Weber was the assist leader with 18.

“I think we’re doing a better job of getting more consistency from last year. We really do a great job of adjusting sets this year. We don’t hit a lot of them out of bounds,” said Tiedt. “We always help each other out. We’re reading the hitters’ hands, rather than the ball.”

Turkey Valley freshman Morgan Wenthold competes in Cresco on Saturday.

Bakula has seen Balk put forth a desire to want to get better. That obvious indicator came right off the bat at Ed-Co. “He started out the year with a five-minute PR. Anybody that can do that, that’s pretty impressive,” said Bakula. “He’s just gradually improved.”

The Trojan head coach hopes Balk can register a time in the low 20’s at South Winn.

“South Winn tends to be a fast course,” said Bakula.

Wenthold is dealing with an asthma condition that has hindered her in some of her previous races. She finished strong, though, at Cresco and crossed the tape in 23:51. That was good for 26th place in a field of 41 in the varsity race. Wenthold’s first varsity race of her career was her best and that came at Ed-Co in 23:29.

“There was a few meets that derailed us,” said Bakula. “Since then she’s been coming back

really strong.”

Bakula said Wenthold is still trying to figure out how to run with asthma – a condition that makes it difficult to breathe.

“It’s been almost a wash – the hot or the cold, that helps or makes it better,” said Bakula. “We’re getting it to work right now and I hope it continues. I’m really excited to see what she can do tonight (Tuesday at South Winn) amongst a pretty good field of Decorah, Waukon and South Winn.”

Bakula said the race at Cresco was a more relaxed one and a chance to save some energy before heading to South Winn.

“It was more like a hard workout and not like an energy draining race,” said Bakula. “They felt they were running smoothly. The first two miles were basically right on each other. The fastest mile was the third mile. That’s kind of what I envisioned going into Saturday and I was glad that was basically the outcome.”

Bakula feels her runners can rack up their best times of the season with the Upper Iowa Conference meet just around the corner.

“I really expect see a lot of improvement and to make a big splash at conference,” said Bakula.

The UIC meet takes place on Thursday, Oct. 13 at Tri-City Golf Course in Luana.

New Hampton underclassmen split opening two games of season

The season didn’t start well for the New Hampton freshmen, as a 30-8 loss to MFL came on the home field.

“MFL has some big athletes at the freshmen level,” coach Dennis Pagel said. Although the Chickasaws gained 245 yards on the day, the Bulldogs gained 345, scoring three times on the ground and twice through the air.

“We must do a better job of being more physical and continue to do a better job of tackling as a team.”

The one score for the home team came on a 17-yard pass to Bryce Flugum and a conversion run by Edgar Rodriguez.

Quarterback Reid Rausch threw for 134 yards on 9-for-18 passing and Caden

Rochford completed 3-of-4 passes for 26 yards. Rodriguez caught four passes for 58 yards while Dylen Schmitt had four for 57 yards. Rodriguez also led the ground game with 63 yards on 13 carries.

On defense Emmett Kuehner stuck 10 tackles on the Bulldogs, while Schmitt and Rodriguez finished with six each.

In mid-September the 9-10 team scored twice in every quarter and played shutout defense for a 58-0 win.

The Chickasaws never had to punt the entire game. “As coaches we were quite pleased with how this team started this game,” said Pagel. “We scored on our first possession of offense.”

Four different players scored touch-

downs, led by Rodriguez with three, along with three conversion runs. Jaxon Eckley scored twice – including a 62-yard reception – with Rochford scoring twice and Beau Serie once.

This time the total yardage heavily favored New Hampton, with 314 yards for the winners and 24 for Oelwein. Rodriguez went over the 100-yard mark with 106 yards on 15 attempts and Rausch was 2-for-3 passing for 78 yards. Both Logan Thiele and Ryan Willadsen recorded eight tackles and Rochford had seven.

“This combined team of 9th/10th continues to make improvements each week. It was a great team effort as everyone was able to contribute to the success we had.”

Trojans face another road test

TV FOOTBALL: FROM 18

Franzen, like the rest of his teammates, didn't like the way that turned out.

"This win tonight, it's our way of proving we could defend against the run. I was happy to see... all night we were flowing to the ball."

And it was one of the few games this season where the starting team played the entire game. They've not played much in the second half this year, as coach Mark Scott tries not to run up the score while playing to a 4-1 record to date. "It was something I was worried about," said the coach. "We worked more on conditioning this week. The guys were tired at the end though."

Each team was able to move the ball early Friday, but neither team was able to score in the first quarter. Turkey Valley's defense was often able to stop the Indians on fourth down throughout the game. The first TV possession came as their defense held on fourth down, keeping the Indians from the first down by only inches and taking over on their own 21.

The Trojans held again later in the period as Clarksville had a first and goal, but the Trojans took over on the nine as the first quarter ended scoreless. But as a result of that goal-line stance, Carson Busta put the first points on the board early in the second quarter on a 42-yard run and opened the floodgates for a flurry of scoring. Clarksville matched that long run with a touchdown on a reverse that covered 50 yards, then the teams traded short touchdown runs, Turkey Valley's coming with an Oliver Schmitt 1-yard run and the Indians scoring on a Makade Bloker 2-yard run.

The passing game assisted the next TV drive as a Noah Hanson pass to Chase Hayek covered 43 yards, to the Clarksville 2-yard line, where Schmitt scored again.

Schmitt opened up the 22-16 lead the Trojans had at the half with a 60-yard, weaving run early in the third quarter.

"Oliver Schmitt had a great game on offense and also on defense, sealing the victory with

a late interception," coach Scott said.

Clarksville cut the Trojan lead to four, 28-24, shortly before the Indians fell on a Trojan fumble at midfield, but again the TV defense crushed the Indian opportunity, the Trojans taking over on downs on their own 17 and, with several good runs by Schmitt, including a 6-yard touchdown, the visitors were up 36-24 with 9:08 left in the game.

They added what would seem to be the nail to the coffin with a Hanson 8-yard touchdown run which culminated a 40-yard, seven play drive to vault the lead to 44-24.

With two minutes left in the game the Indians scored and with the conversion it was a two-possession game, but an onside kick was recovered by Burke Busta. The Indians had one more chance, but it was cut short by the Schmitt pick.

"This was a good road win. Clarksville has a very good chance of being a playoff team," Scott said. "Offensively we moved the ball consistently the entire game. Two big penalties killed two drives and a fumble killed the only other drive we didn't score on. Defensively we ran to the ball all night."

Troy Schmitt led the defense with 14.5 tackles. Schmitt had a banner night, with a career-high 174 yards — just a little over half of the Trojan yards

on the ground — on 22 carries, with 13 tackles and the interception with an 11-yard return. Hanson completed 4-of-5 passes for 62 yards, with 52 yards to Hayek on two completions, and ran for another 80 yards.

Hanson's fourth-quarter touchdown put him at 13 in that category for the season — which leads the Trojans — but the district leader hails from Tripoli and with 42 touchdowns, Rowan Carlson is tied for the top spot among all classes. Tripoli is the only other undefeated team in 8-man District 3 and will be Turkey Valley's next opponent, at Tripoli on Friday.

"They'll throw a little more," Scott said. "But that Carlson, we'll have to stop him."

last night, we learned how important it is to not leave points out there.”

Even after Osage upped the lead to 21-8 early in the fourth quarter, New Hampton tried to make it a one-score game as the Chickasaws drove to the Green Devils’ 12-yard line only to lose a fumble.

Save for the scoreboard, the game was evenly matched. Osage outgunned New Hampton by just eight yards, 328-320, and New Hampton’s total yardage took a hit because of four quarterback sacks recorded by the Green Devils.

Speltz, though, was nimble enough to avoid several more sacks and finished the night 14-for-20 passing for 154 yards.

“Brady did a really nice job,” Frerichs said of his senior quarterback who has yet to throw an interception, “and I think what we appreciate the most about him is that he does a good job of taking care of the ball. To be this far into the season without an interception, that says some-

“We saw a lot of good things, but not scoring in the red zone, that hurt us,” Frerichs said. “We had some untimely penalties, the turnover and we know we have to do a better job of protecting our quarterback, but we did a lot of things well.”

New Hampton’s defense was led by senior Ben Tenge, who finished the night with 8.5 tackles, including three for losses and the Chickasaws’ lone sack.

New Hampton continues run through the gauntlet

By KELLY TERPSTRA
sports@nhtrib.com

Obviously, the New Hampton Chickasaws aren’t the only prep volleyball team in Iowa that has taken on a gauntlet of ranked teams this season.

But that doesn’t take away from the fact that New Hampton’s challenging schedule would rival almost anyone’s in the state.

Case in point – New Hampton’s trip to the Waverly-Shell Rock Tourney on Saturday.

Eight ranked teams – six of them state qualifiers from a season ago – all took part in the Go-Hawks’ home invite over the weekend.

New Hampton had its fair share of triumphs, too, as Jess Geerts’ Chickasaws split six matches. The long day of elite competition saw NH win matches over 12th-rated AGWSR, 14-21, 21-15 and 15-3.

New Hampton also topped Class 5A Cedar Rapids Jefferson, 23-25, 25-17 and 15-5, as well as sweeping Winterset, 21-9 and 21-18.

“I was very happy with our performance on Saturday,” said Geerts. “We had a few bumps, but talked a lot about what we gained from those losses.”

The Chickasaws lost to No. 1 Cedar Rapids Xavier, 21-14, 21-16, and also encountered a setback at the hands of third-ranked Mount Vernon, 21-12 and 21-8. No. 4 Denver defeated New Hampton for the third time this season, 25-14 and 25-22.

“Mt. Vernon is hands down a tough team. We struggled to get started and that didn’t help us. We spent a lot of time battling back. It was a great experience and we hope to get the chance again in November,” said Geerts.

Mount Vernon (24-3) competes in Class 3A alongside New Hampton and Xavier (26-1) is a Class 4A team.

“I feel we did a great job holding our own and playing with them. They would be fun to get another shot at when we were fresh, but that is unlikely,” said Geerts about Xavier.

The other ranked teams in attendance were No. 1 Iowa City Liberty (5A), 10th-rated Nevada and No. 13 Dyersville Beckman. Of the rated opponents present at Waverly, only Nevada and AGWSR did not play in the state tournament last year that was held for the last time

in Cedar Rapids.

New Hampton’s record stands at 16-14 overall. All but one of the Chickasaws’ losses have come against rated foes.

The Chickasaws were fresh off the heels of one of the best wins of the season last Tuesday at home. New Hampton rallied for a remarkable five-set win over No. 15 Waverly-Shell Rock (18-13, 3-1). The Go-Hawks are the defending state runner-up in Class 4A.

New Hampton was perfect in serving (32-32) as a team versus Xavier and went 59-61 serving against C.R. Jefferson to go along with nine aces.

Still, a league title looms large for New Hampton – which also has a state tournament berth high on its list of possible achievements this season. The Chickasaws one and only state tournament appearance in school history came in 2018.

“The NEIC title is always a goal. It is a huge accomplishment when it is typically held by W-SR,” Geerts added.

The first leg of the NEIC Tournament begins Thursday, Oct. 13 in New Hampton with three matches. The second leg will be completed on Saturday in Waverly and consists of two rounds of matches.

Geerts talked about her team taking on the state’s best – in what seems like a night in and night out basis.

“We are really holding it to our advantage as we enter the postseason. Our record posts us to be average ... stay tuned!” said Geerts.

CALL THEM CHAMPIONS!

CHICKASAWS SWEEP WAUKON, CLAIM NEIC REGULAR SEASON TITLE

By Kelly Terpstra
sports@nhtrib.com

The long bus ride home from Waukon was definitely a celebratory cruise back to Chickasaw County for Jess Geerts' New Hampton volleyball squad on Tuesday evening.

The Chickasaws put a cap to the conference portion of the regular season with an exclamation point as New Hampton reeled in its first outright Northeast Iowa Conference crown since 2019.

With a sweep over Waukon – 25-19, 25-12 and 25-18 – New Hampton claimed the always difficult and challenging NEIC title with a perfect 5-0 league record.

New Hampton won its fifth regular season NEIC title all-time in emphatic fashion. Over the course of the last two weeks, New Hampton managed five-set victories over league rivals Decorah and Waverly-Shell Rock. NH turned back those two ranked foes to put themselves in the driver's seat and in control of its own destiny.

Tuesday evening was icing on the cake.

New Hampton has played one of the toughest schedules in all of the state and will now enter the postseason portion of its slate.

There, the best could be yet to come. NH starts the NEIC Tournament at home on Thursday, Oct. 13. New Hampton (17-14, 5-0) is also aiming for its second state tournament berth in school history. The first one came five seasons ago in 2018.

"This is an accomplishment, but this isn't the biggest thing we want to accomplish. This is one step in the direction we want to go," said Geerts about her team's sweep over Waukon and the ensuing league championship that came with that dominating effort.

Waukon, now 14-14 overall and 0-5 in the league, didn't play like a winless conference squad at the start of its Senior Night match. The Indians led 5-3 in the initial stages of the match and 9-7 about half-way through Game 1. With Waukon up, 10-9, New Hampton zoomed out to a commanding 16-10 lead after a 7-0 run. A Carlee Rochford kill ended the

opening stanza in New Hampton's favor.

"Starting out they played really tough – Waukon did," said Geerts. "I've always said, 'you can't ever rule anyone out' – especially sometimes we can start out a little bit slow. Once we got our momentum going, we can kind of found some ways to shut them down. I think that really pushed us through."

Game Two was more New Hampton as the Chickasaws racked up a 7-0 run to lead 10-3. Hailee Pesek's kill off of a Paige Steinlage assist finished off set No. 2.

Powered by Braelyn Rosonke and Elaina Rosonke up front, as well as all-state middle/outside hitter Marissa Cahoy, the Chickasaws sent powerful kills past their opponents all evening. Pesek ended the evening with a match-clinching kill in the final set.

New Hampton had not won a conference championship in volleyball prior to 2019 since 1991. The Chickasaws won back-to-back league titles in 1986 and 1987.

The Iowa Girls High School Athletic Union will release its postseason pairings this Friday.

Crucial call dearly costs Chickasaws

Called-back New Hampton TD
key play in a 21-8 loss to Osage

By BOB FENSKE
editor@nhtrib.com

New Hampton football coach Scott Frerichs doesn't like to play the blame-the-ref game, but as he watched the replay of a pivotal play from the third quarter of Friday's game against Osage over and over, the frustration was plainly evident.

There was New Hampton running back Braden McShane running into the end zone with a game-tying score while tight end Carter Steinlage was literally being tackled to the ground. There also was the flag being thrown, but inexplicably, it was Steinlage being tagged with a holding penalty.

It was the play, at least in the minds of Frerichs and legions of New Hampton fans, that doomed the Chickasaws in a game that Osage went on to win 21-8 to hand the Chickasaws their first loss of the season.

"It's just a play that is really hard to understand," the veteran coach said after watching the video for an umpteenth time. "How they came up with a call like that is complexing. That's exactly what we wanted to do coming out in the second half, and that completely shifted the game."

Still, even with the phantom holding call, the Chickasaws had plenty of opportunities to remain unbeaten.

New Hampton came away empty on two of its three red-zone opportunities and gave up too many big plays on a night that the Green Devils put themselves in the Class 2A, District 3 driver's seat.

"It's frustrating, especially with the way we opened the game," said Frerichs, whose team fell to 5-1 overall and 2-1 in district play. "We started that game exactly the way we wanted to, but we just couldn't sustain that momentum."

That start was indeed grand for the Chickasaws, whose first drive of the night covered 84 yards in 18 plays — all but one of them on the ground — and when Hunter Serie scored on a 5-yard reverse and quarterback

Bob Fenske/Tribune
New Hampton's Isaac Howe (above) scores on a two-point conversion, and the Chickasaws' Carter Steinlage (below) stiff arms an Osage defender after making a catch during Friday's Class 2A, District 3 game.

Brady Speltz hit Isaac Howe on the subsequent two-point conversion pass, New Hampton had an 8-0 lead.

The Green Devils, though, had an answer.

Quarterback Max Knudsen hit Landon Arends with a 65-yard pass late in the first quarter, and Osage took the lead on a Brayden Onken 23-yard scoring run early in the second quarter.

After the Green Devils took the lead, New Hampton put together another drive — highlighted by a 41-yard pass from Serie to Aiden Roberson — but the march stalled at the 6-yard line.

"One of the things we've done a really good job this season is taking advantage of red-zone opportunities," Frerichs said Saturday morning, "but

Turkey Valley stops Clarksville to set up showdown with Tripoli this Friday

By DOROTHY HUBER

A head popped up when the Turkey Valley cheerleaders and fans sang the Happy Birthday song while the football team was huddling after the Trojan 44-32 win over Clarksville Friday.

Now, this head usually stands above the others anyway, as it belongs to 6'7" Ryan Franzen, who, with his teammates, had just clinched a playoff spot on his 18th birthday.

"That's all I wanted for my birthday," said the Trojan senior. "A TV victory. We were very excited for the week, to face a team that would run the ball as much as we did."

The one loss Turkey Valley has had this season was against Don Bosco, who also depends on the ground game.

SENIOR WINS RACE TO LEAD CHICKASAWS TO TEAM TITLE

By BOB FENSKE

Peyton Anderson's modus operandi when it comes to cross country is to hang back a bit and start picking off runners late in the race.

On Saturday, though, the New Hampton senior changed up his M.O., and the result was, well, impressive as Anderson claimed the first individual title of his career as he led New Hampton to the team title at the Crestwood Invitational.

"It was different, but I wanted to try it, too," Anderson said after completing the always tough course at the Cresco Country Club in a time of 17:28.53 to beat runner-up

KOLBET'S BREAKTHROUGH SEASON CONTINUES; GIRLS TAKE SECOND AT CRESCO

By BOB FENSKE
editor@nhtrib.com

Campbelle Kolbet's cross country story is, in a word, remarkable.

If you doubt it, here's our rebuttal: Just take a look at her past three finishes at the Crestwood Invitational.

In 2020, she finished the tough Cresco Country Club course in a time of 25:59.8, and a year ago, she put up a 23:32.2.

And this past Saturday, she took runner-up honors in a time of 19:46.72 to continue what has been a stunning breakthrough senior season, one in which she has become the unquestioned leader of an up-and-coming girls cross country program at New Hampton.

So how did Kolbet go from an end-of-the-pack runner to one of the state's best in just two years?

"You know, I'm not sure," she said. "I guess I just wanted to be good at something so I decided to work at it."

She thought for a while and went back to the summer of 2021.
